

## ***White Mountain Middle School Family, Student & Teacher Compact***

### ***Mission Statement:***

*The mission of Jackson County School District #9, in mutual partnership with the families and local community, is to prepare every student to be a self-directed life-long learner, a productive worker, and a responsible contributing member of society.*

### ***As a Teacher, I will:***

- Be a positive role model and show respect to all by valuing the dignity of each individual.
- Communicate regularly with families regarding their child's academic, social, and emotional progress.
- Believe that each student can learn and nurture children to grow to their fullest potential.
- Encourage every child to become a life-long reader.
- Implement effective educational practices for all students.

### ***As a Family Leader, I will:***

- Help my child attend school regularly and on time.
- Encourage reading in the home by providing a time and place for my child to read or to be read to.
- Provide a time and place for my child to complete homework assignments on time.
- Communicate frequently with my child's teacher, attend school conferences, and attend school functions involving my child.
- Promote health and well being for my child by providing the required immunizations and tending to basic health needs.
- Be a positive role model, show respect, and commit to raise a responsible citizen.

### ***As a Student, I will:***

- Come to school.
- Listen carefully and ask questions if I don't understand.
- Show respect towards my teachers, classmates, and my school.
- Follow school and bus rules.
- Work hard and always do my best.

*Together we can encourage success, nurture positive character, and help shape meaningful futures for our children.*
