Extended Day, 8:00 - 4:00pm

Kindergarten through Fifth Grade Students

Messages and Phone Calls

Each classroom is equipped with a telephone for emergencies. We make every effort to prevent classroom interruptions. Student messages will be given to classrooms at the end of the day before 2:00 PM. Other messages can be left on a teacher's voice mail.

Changes in school-to-home transportation, etc. should be pre-arranged.

Please DO NOT call and report a student absence to the student's teacher. For your child's safety, all of these calls should be made to the school office, 541-830-1350.

Call the office to leave "after school instructions," 541-830-1350. If we do not receive a call to change "after school" instructions prior to **2:00 PM (20 min. prior to release time)**, we cannot guarantee the child will get the message and we will instruct the child to follow the "usual" arrangements.

Bicycles/Scooters/Roller Blades/Roller Skates/Skateboards at School

Students are encouraged to walk or ride their bike to and from school. For student safety, all bicycles and scooters are parked at the bicycle racks. Students are to walk their bikes and scooters to and from the bike racks once they enter the campus. Bike and scooter riding, skateboarding, rollerblading and roller skating are not allowed on the playground or in the school building. We cannot assume responsibility for damaged or stolen bicycles, scooters, skateboards, rollerblades and roller skates. Students should always ride on the right side of the street and obey all traffic signs. **Bike helmets are required per state law. Students will lose the privilege of riding a bike or scooter to school for failure to comply with these rules of safety and responsibility.**

We reserve the right to impound a student's bicycle (or skateboard, scooter, roller blades or roller skates) for failure to obey the above expectations. The student's parent or guardian will need to make arrangements with the school office to retrieve impounded items.

Dropping Off Your Student in the Morning

The front of our buildings will be the "Kiss and Drop Off" area. Student entrance doors are unlocked and students may be dropped off beginning at 7:15. The cafeteria will begin serving breakfast at 7:15. Students will remain in the cafeteria or the gym until the first bell rings at 7:40 at which time students will move to their class lines. School starts at 7:45 - students not in class by 7:45 will need to check into the office for a tardy pass.

Due to safety protocols, parents will not be able to be on campus unless they have been cleared through our volunteer process. You may call or go to the office for support. Thank you for your understanding of these procedures. Safety will always be the first priority for all of our students. By helping us maintain these procedures, you help us keep all of our students safe.

Extreme Weather

Extreme weather or other emergency conditions may cause school to be canceled or to operate on a different schedule than usual. If a decision is made to cancel school or to change the starting time or to dismiss early due to extreme weather or other emergency conditions, notification will be posted on our Facebook page and school website. In addition, the following radio and TV stations will be asked to announce the decision:

Radio:

KCMX KBOY KMED KCNA/KROG/KRTA
KSOR KTMT KRRM KLDR/KAJO

To be prepared, have childcare arrangements pre-planned. Staff will not be available at school to provide childcare—for their safety, they will be sent home too. Be certain our office staff has a

working telephone number so you can receive a message in case of an emergency early dismissal.

If we have an early dismissal, children will be sent to their usual after school destination. Every effort will be made to contact you via phone. If you want us to send your child to a different destination, please be certain we have that information on file.

Emergencies at School

Table Rock Elementary is a safe school. Every precaution is made to keep children and adults safe. Fire drills are practiced monthly. Earthquake drills and drills for other emergency situations (Safety Drill) are also practiced regularly. If there were an emergency at school, the District Office would be the contact for information regarding the matter. The telephone number is 830-6551. It would be important to keep the school lines clear for emergency personnel access.

Lost and Found

Every year, coats, hats, gloves, sweatshirts and other personal items are left unclaimed by students. Permanently marking your child's clothing will assist us in finding the owner. You may check the Lost and Found at any time. Lost and Found items are bagged up and donated to local shelters.

Toys and Cell Phones at School

Please help your child keep toys at home. Toys from home often become a distraction in the classroom and disrupt student learning. As well, we cannot be responsible for toys that might get lost, broken, traded, or stolen. Trading cards (e.g. Pokemon, Yugioh, and baseball cards, etc.) are prohibited at school. Play equipment is available for student play on the playground. Toys from home are not needed on the playground.

Students are prohibited from selling or purchasing items from other students while at school without prior principal permission.

Cell phones and other electronics shall remain silent and in a child's backpack during school hours unless given permission by the teacher for educational use. As with toys, we cannot be responsible for cell phones and other electronics that might get lost, broken or stolen.

Gifts/Animals at School

Although personal birthday gifts are fun to receive, flowers and balloons are disruptive to the learning environment. Please save these gifts for your family celebration. If delivered to school, the student may be asked to pick them up in the office at the end of the day. Also, if the gifts are given at school, there should be something for everyone. (e.g. valentines, birthday invitations). Please make prior arrangements with your child's teacher if you plan to bring an animal to school. All animals must be contained, leashed and accompanied by an adult while at school.

Soda Pop, Energy Drinks, Gum, Candy at School

For your child's health and safety, we request that you do not send pop, energy drinks, gum, or candy to school with your child. Gum/candy will damage the floor. As well, soda pop and other carbonated beverages get shaken up, inadvertently, and make a sticky mess when opened. Your classroom teacher will inform you about appropriate snacks and lunch items. No food or drink is allowed out on the playground.

Annual Fundraiser

TRE students may participate in grade level fundraisers this year, depending on the grade level team projects. Students will collect pledges for the fundraiser event and the money they collect will be used by their class for field trips, special assemblies, program celebrations, etc. Families will be notified in advance by classroom teachers when a fundraiser is planned and what project will be completed with the money raised. Students are not to go door to door to fundraise – this is unsafe.

Parent Teacher Organization (PTO)

Did you know that Table Rock has a parent group? They are responsible for many of the activities at our school! They meet once a month.

The PTO is a dedicated group of parents who truly make a difference at school. Please call or come to a meeting. There are lots of little things you can do that help the parent club and only take a small amount of your time! If you are interested, please email them for more information: tablerockpto@gmail.com

ParentVUE

District 9 provides a unique opportunity for parents/guardians to view their student's school information via the internet. [ParentVUE](#) is a convenient home-to-school collaboration tool that allows parents to enhance their involvement by keeping track of their student's attendance, grades, schedules, assignments, immunization and more!

Parents or guardians are able to view their student's information through the *ParentVUE* web site after they have registered with the school and received a user ID and password.

STUDENT BEHAVIOR EXPECTATIONS

Table Rock Elementary Student Expectations

In District 9 and at TRE, we expect students to:

- Be Safe
- Be Respectful
- Be Responsible

[2023-24 Discipline Matrix](#)

[Spanish Discipline Matrix](#)

[2023-24 English Behavior Definitions](#)

[Spanish Behavior Definitions](#)

These expectations are taught deliberately throughout the school year. Teachers may also be teaching a violence prevention/social skills program. The emphasis is to help students develop problem solving skills.

When a student violates a rule, the first offense generally results in a warning with instruction to prevent a recurrence. The next offense may result in a “time out/detention.” We also teach students how to positively resolve personal conflict. Parent calls and conferences are made when students continually choose to disregard the school standards.

TRE expects student conduct to contribute to a productive learning climate. Students shall comply with the school's rules and district's policies, administrative regulations, school and classroom written rules, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials and conduct themselves in an orderly manner during the school day and during school sponsored activities. This code of conduct also applies to students as pedestrians or bicyclists on their way to and from school.

The Administration will take reports and conduct a prompt investigation of any report of an act of harassment, intimidation or bullying, cyberbullying and teen dating violence. Any employee who has knowledge of conduct in violation of this policy shall immediately report his/her concerns to the principal who has overall responsibility for all investigations. Any student who has knowledge of conduct in violation of this policy or feels he/she has been harassed, intimidated or bullied or has knowledge of any student being cyberbullied in violation of this policy is encouraged to immediately report his/her concerns to the principal. This report may be made anonymously. A student may also report concerns to a teacher who will be responsible for notifying the appropriate district official.

It is easiest for children to learn when they feel safe and secure. This is the environment we try to provide at TRE. **Bullying, violent and/or threatening behavior will not be tolerated.**

Student Code of Conduct

The district has authority and control over a student at school during the regular school day, at any school-related activity, regardless of time or location and while being transported in district-provided transportation.

Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the district and while off campus, whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of the rights of others.

9. Sexual harassment [as prohibited by Board policy JBA/GBN - Sexual Harassment and accompanying administrative regulation];

11. Use or display of profane or obscene language;
12. Disruption of the school environment;
13. Open defiance of a teacher’s authority, including persistent failure to comply with the lawful directions of teachers or school officials;
14. Violation of district transportation rules;
15. Violation of law, Board policy, administrative regulation, school, or classroom rules.]

Additionally, regarding weapons, under state and federal law, expulsion from school is required for a period of not less than one year for any student who is determined to have brought, possessed, concealed, or used a firearm in violation of state or federal law. The superintendent may modify the expulsion requirement for a student on a case-by-case basis.

In accordance with the federal Gun-Free School Zone Act, possession, or discharge of a firearm in a school zone is prohibited. A “school zone” as defined by federal law means, in or on school grounds or within 1,000 feet of school grounds.

Any person under age 21 is prohibited from possessing tobacco, alcohol, and unlawful drugs or a tobacco product or inhalant delivery system. Unlawful delivery of a controlled substance to a student or minor within 1,000 feet of district property is a Class A felony, as provided by ORS 475.904.

Students are prohibited from making knowingly false statements or knowingly submitting false information in bad faith as part of a complaint or report, or associated with an investigation into misconduct.

Refer to School Board Policy [JFC](#) Student Conduct

Damage to District Property

A student who is found to have damaged district property will be held responsible for the reasonable cost of repairing or replacing that property. If the amount due is not paid the amount will become a debt owed and the district may impose certain restrictions and/or penalties until fees, fines or damages are paid.

Off-Campus Student Behavior

Eagle Point School District 9 is not responsible for the conduct or control of students who are not on school property or are not at a District-sponsored event under the care and management of District representatives. The District will not supervise students off-campus nor will the District be responsible for any student behavior or conduct once the student has removed him/herself from District property and/or the oversight of District representatives at a District-sponsored event.

However, if a student's off-campus behavior or actions impacts or interferes with the educational environment and/or safety on campus, or if there is a nexus between a student's off-campus behavior or actions and their

conduct and compliance with school rules on campus, then the student may be disciplined in accordance with the disciplinary code set forth in the student handbook. For example, off-campus bullying or harassment may be disciplinable if, as a result, a hostile educational environment is created on campus.

These provisions in no way limit the scope of the decisions or actions the District may deem in good faith necessary to take to maintain a safe and secure environment on school property.

Discipline – Due Process

A student who violates the Student Code of Conduct shall be subject to disciplinary action. A student's due process rights will be observed in all such instances, including the right to appeal the discipline decisions of staff and administrator. The district's disciplinary options include using one or more discipline management techniques, including counseling by teachers, counselors and administrators; detention, suspension; expulsion, loss of privileges, honors and awards and removal to an alternative education program.

Disciplinary measures are applied depending on the nature of the offense. The age and past pattern of behavior of a student will be considered prior to any suspension or expulsion. In addition, when a student commits substance abuse, drug or drug paraphernalia, alcohol- and/or tobacco-related offenses, teen dating violence or any other criminal act, he/she may also be referred to law enforcement officials. Violations of the district's weapons policy, as required by law, shall be reported to law enforcement.

Detention

A student may receive lunch/recess detention or be detained outside of school hours on one or more days if the student violates the Student Code of Conduct. The detention shall not begin, however, until the student's parents have been notified of the reason for the detention and can make arrangements for the student's transportation on the day(s) of the detention.

Discipline of Students w/Disabilities

When a student being served by an individualized education program (IEP) engages in conduct which would warrant suspension of more than 10 days or expulsion for a nondisabled student, the student's parents will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student's IEP team meeting addressing the infraction and its relationship to the disability.

The IEP team will determine whether the misconduct is a manifestation of the student's disability. Should the IEP team conclude the misconduct has no relationship to the student's disability; the student may be disciplined in the same manner as would other students. If the IEP team concludes the misconduct is a consequence of the student's disability, the team may review and revise the student's IEP and determine whether a change in placement is needed. The district may not suspend for more than 10 days or expel a disabled student or terminate educational services for any behavior which is a manifestation of the disability.

A student may be removed from the current educational placement to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than 45 calendar days in a school year for a drug or weapon violation as provided in district procedures. Additionally, the district may request an expedited due process hearing to obtain an officer's order to remove a student to an interim alternative educational setting for not more than 45 days if the student is exhibiting injurious behavior. For the purpose of this request, "injurious behavior" is defined as behavior that is substantially likely to result in injury to the student or to others.

Suspension

The use of out-of-school suspension or expulsion for discipline is limited to:

1. Non-accidental conduct causing serious physical harm to a student or employee;
2. When a school administrator determines, based on the administrator's observation or upon a report from an employee, the student's conduct poses a threat to the health or safety of students or employees; or
3. When the suspension or expulsion is required by law. When an out-of-school suspension is imposed on a student in the fifth grade or lower, the district shall take steps to prevent the recurrence of the behavior that led to the out-of-school suspension, and return the student to a classroom setting to minimize the disruption of the student's academic instruction.

Refer to School Board Policy [JG Student Discipline](#)
Refer to School Board Policy [JGE for expulsion information](#)

Weapons at School

Students shall not bring, possess, conceal or use a weapon and or toys that look like a weapon on or at district property, activities under the jurisdiction of the district or interscholastic activities administered by a voluntary organization approved by the State Board of Education.

If a child brings a dangerous weapon or a weapon “look-alike” to school, a parent will be called immediately.

“Dangerous weapon” is defined by Oregon law as any weapon, device, instrument, material or substance which, under the circumstance in which it is used, attempted to be used or threatened to be used, is readily capable of causing death or serious physical injury.

Violation of this Oregon State law may result in expulsion from school and the Federal Gun Free Zone Act.

Possession or discharge of a firearm in a school zone is prohibited. A school zone as defined by federal law means in or on school grounds or within one thousand feet of school grounds.

Students found to have brought, possessed, concealed or used a firearm in violation of this policy or state law shall be expelled for a period of not less than one year.

Refer to [Board Policy JFCJ Weapons in the Schools](#)

Please refer to our EPSD9 Behavior Definition and Consequence Matrix (see link on page 8).

1. Civil rights – including the right to equal educational opportunity and freedom from discrimination, the responsibility not to discriminate against others;
2. The right to attend free public schools, the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;

5. The right to assemble informally, the responsibility to not disrupt the orderly operation of the educational process, nor infringe upon the rights of others;
6. The right to privacy, which includes privacy in respect to the student's education records; The right to know the behavior standards expected, the responsibility to know the consequences of misbehavior.

ATTENDANCE & ABSENCE

DISTRICT ATTENDANCE POLICY

Eagle Point School District 9's attendance policy was established and is enforced so all students may achieve their full potential by attending school regularly.

It is the intent of the School Board, school administration, and school staff at all school sites that all students have maximum opportunities for academic growth and achievement. Absenteeism affects student performance and reduces a student's opportunity for success both academically and in the workforce.

Eagle Point School District 9 supports the compulsory school attendance laws as set by the State of Oregon and recognizes that punctual, regular school attendance by students promotes academic achievement. As per state statute ORS 339.010, all children between the ages of 6 and 18 years who have not completed the 12th grade are required to attend school regularly unless otherwise exempted by law. Staff will monitor and report violations of the state compulsory attendance law. All students five years of age who have been enrolled in a public school are required to attend regularly.

A parent will be issued a notification, in writing and in the native language of the parent, and in accordance with law, the administration] will schedule a conference with the non attending student and their parent(s) to discuss attendance requirements. At this time, the parent has the right to request an evaluation to determine if the student should have an individualized education program (IEP) or a review of the student's current IEP.

Any person having legal control of a student between the ages of 6 and 18, who has not completed the 12th grade, and who fails to send a student to school within three days of notification by the district that their student is not complying with compulsory attendance requirements may be issued a citation by the district for

the student's failure to attend school. Failure to send a student to school may be a Class C violation of law and is punishable by a court imposed fine.

Additionally, a parent or guardian, or other person lawfully charged with the care or custody of a student under 15 years of age, may be found by the courts to have committed the offense of failing to supervise a child who has not attended school as required. Failing to supervise a child may be a Class A violation. Violations, as determined by the court, may be punishable by a requirement to complete a parent effectiveness program approved by the court and/or a fine.

A student's absence from school or class will be excused under the following circumstances:

Definitions:

Tardy: A student arriving after the bell rings

Excused Absence: [ORS 339.065](#)

- Personal illness
- Illness of an immediate family member when the student's presence at home is necessary.
- Emergency situations that require the student's absence.
- Field trips and school-approved activities.
- Medical (dental) appointments; confirmation of appointments are required.
- Pre-Arranged Absences

Pre-Arranged Absences: an absence that is arranged prior to the student's time away from school after deemed appropriate by the school's administrator and satisfactory arrangements have been made in advance of absence. (Pre-arranged/Extended Leave Absence forms are available in the front office.)

Unverified Absences: A student's absence was not verified by a parent/guardian as required. This includes:

- Not arriving at school as expected by parents and school authorities
- Arriving at school but not attending classes
- Leaving school without following the checkout procedure
- Missing any part or all of a scheduled class without authorization
- Obtaining permission to go to a campus location but not reporting there
- Being absent from class for any reason other than those reasons specifically authorized

As a district, we understand that sometimes absences are outside of our control. As part of our Attendance Initiative, "Creating a Culture of Showing Up" we will generate letters of attendance concerns at the following intervals: **4, 7, 10 and 14 days of absences**. The intent of these communications is to create a proactive strategy to maximize student learning opportunities.

Student Absences

Your child may be absent if he/she:

- is sick – 100 degree or higher temperature, vomiting or diarrhea (contagious). When an illness lasts more than a couple of days, you should take them to the doctor or call the school nurse to obtain a doctor's note.
- is needed because of a family emergency (please call the school and let them know how long you expect to have your child out of school.) This does not include interpreting for other family members.
- has *live* lice – this must be taken care of quickly. Your child should not miss more than two (2) days of school. If you need help or advice, please call our school nurse or a public health nurse.

- if your child visits any medical provider, please get a note from the provider and turn it in to the front office. These absences will be recorded as a “doctor’s visit” and will not be counted in our Attendance Totals for Letters of Concern.

Your child may **NOT** miss school:

- for vacation
- because he/she does not want to go to school.
- because he/she slept in.
- for having lice for an extended period.
- to provide care for younger or ill siblings/family members.
- due to lack of school supplies, clothes or alarm clock.
- because he/she is afraid to go to school.
- to go with you to interpret during school hours.
- because of a family emergency that took place a long time ago.
- because parents overslept; get him/her to school immediately.

If you or your student needs assistance with resources to help find solutions, please contact our school.

Safety Calls

Table Rock Elementary shall notify a parent/guardian by the end of the school day if their child has an unplanned absence. The notification will be either in person, by telephone or another method identified in writing by the parent/guardian. If the parent/guardian cannot be notified by the above methods, a message shall be left, if possible.

Our principal is available to assist you and your child with the resources necessary to maintain regular school attendance.

Student Illness

When a child is not feeling well at school, he/she should tell a school adult (e.g. classroom teacher, playground supervisor). The adult will help the child make decisions about why they are feeling that way, e.g. hungry for lunch, too hot from playing on the playground, etc. If the child is not feeling better, he/she can go to the office for assistance.

At the office, the secretary will assist your child. When appropriate, a temperature will be taken. If the child has a temperature of 100° or above, a parent contact is made immediately and a parent or caregiver shall come and pick up the child. If the temperature is normal, a student may rest in the “Health Room” for a few minutes. If a child comes to the “Health Room” twice in the same day, a decision is sometimes made to call and discuss the ailment with the parent.

Parent contact will also be made anytime a child has sustained a significant head injury (e/g. fall), or if a

education program with the district for the first time shall within 120 days of beginning the education program, submit a certification that the student has received a **dental screening** within the previous 12 months. The certification is not required if the parent or guardian provides a statement to the district that:

1. The student submitted a certification to a prior education provider;
2. The dental screening is contrary to the religious beliefs of the student or the parents or guardian of the student; or the dental screening is a burden, as defined by the State Board of Education, for the student or the parent or guardian of the student.

Administering Medication at School

Students may be permitted to take prescription or nonprescription medication, and/or self-medicate at school, at school sponsored activities under the supervision of school personnel, and in transit to or from school or school-sponsored activities.

When medication **MUST** be given at school, it must be personally delivered and picked up by the parent and accompanied by written authorization, using the District 9 Medication Form. The medication must be in its original container with instructions for administration (time and dosage).

The office staff can administer Over-the-Counter medication (including Tylenol, cough drops, Calamine Lotion, etc.) to your child **ONLY** if you provide the medication in its original container and have a District 9 Medication Form signed by you on file in the school office for administration on an “as needed” basis.

Asthma inhalers are stored in the office in their original prescription boxes. Backpacks and pockets are not safe places for medications at school.

In situations when a licensed healthcare professional is not immediately available, designated trained staff may administer to students, by means of injection, epinephrine, glucagon or other medications as prescribed and allowed by Oregon law ([OAR 851-047-0030](#)).

A process shall be established by which, upon parent written request, a backup prescribed auto injectable epinephrine be kept at a reasonable, secured location in the student’s classroom.

Head Lice

Head lice are a common problem in schools and are highly communicable. Classrooms are checked periodically and sometimes daily if head lice become a problem. When three or more cases are found or reported in the same classroom, all parents in the classroom are notified. We request that a child does not return to school until all the live lice and nits are completely removed. If live head lice are found on your child, you will be contacted immediately and required to pick up your child and treat the head lice. Your child will not be allowed to return to class until their head is free of live lice and checked in the office. Complete treatment and removal helps prevent spreading.

Communicable Diseases

Parents of a student with a communicable or contagious disease are asked to telephone the principal or office so that other students who have been exposed to the disease can be alerted. A student with certain

communicable diseases will not be allowed to come to school while the disease is contagious. These diseases include chickenpox, cholera, diphtheria, measles, meningitis, mumps, live lice infestations, whooping cough, rubella, scabies, staph infections, strep infections, tuberculosis and pandemic flu. Parents with questions should contact the school office.

DISTRICT PROGRAMS

Meal Program

The district participates in the National School Lunch, School Breakfast, Special Milk and Commodity Programs and offers free meals based on a student's financial need. Additional information can be obtained in the office.

Breakfast and lunch are both served at TRE. At breakfast, children can choose from bread, cereals, fruits, juice and milk. At lunch, children will always have a choice of main dishes and choices of fruit and vegetables.

Breakfast is available from 7:15AM - 7:40AM for students who wish to eat at school. Students should arrive at school no sooner than 7:15AM for breakfast as there is no supervision.

Please do not send anything that needs to be refrigerated or heated by microwave. You can imagine how time consuming this would be for 800 students. Also, please do not send soda pop or other carbonated beverages as they inadvertently get shook up and create a sticky mess when opened.

Common Curriculum Goals

All District 9 students are taught common curriculum goals and standards as outlined the Oregon Department of Education. District adopted curriculum is used with students at all District 9 schools. More info about curriculum standards can be found at www.ode.state.or.us.

Conferences and Report Cards

Quarterly report cards and progress reports will be available through ParentVue and no paper copy will be provided unless verbally asked for in the office. Your student's progress reports can be checked online at any time by accessing ParentVue. Please do not hesitate to ask for assistance with ParentVue.

Check our school website calendar for dates that report card and progress reports are posted.

Regular conferences are scheduled annually in the [fall and spring] to review student progress.

A teacher may request a conference: (1) if the student is not maintaining passing grades or achieving the expected level of performance; (2) if the student is not maintaining behavior expectations; or (3) in any other case the teacher considers necessary.

The district encourages a student or parent in need of additional information or with questions or concerns to confer with the appropriate teacher, counselor, or principal. A parent who wishes to confer with a teacher may

call the office for an appointment before or after school, during the teacher's preparation period, or request that the teacher call the parent to arrange a mutually convenient time, or email the teacher.

Conference Schedule:

- Back to School Night: September 28, 2023
- Parent-Teacher-Student Conference: Nov 20 - 22, 2023
- Parent-Teacher-Student Conference: March 21 - 22, 2024

Alternative Education Programs

Alternative education program options have been established to meet the individual needs of students. These programs will be made available to students who are unable to succeed in the regular programs because of erratic attendance or behavioral problems and for students who have not met or who have exceeded all of Oregon’s academic content standards. The district may, based on district criteria, provide alternative education programs for students expelled from another district for a violation of applicable state or federal weapons laws.

Proposals from parents or students for the establishment of an alternative education program shall be submitted in writing to the Superintendent or designee prior to November 1 for programs to be implemented the following school year. “Alternative education program” means a school or separate class group designed to best serve students’ educational needs and interests and assist students in achieving the academic standards of the district and the state.

Contact our principal or district office for additional information on submitting proposals, the evaluation and approval process.

Examples of alternative education program options are not limited to, but include:

1. Evening classes
2. Tutorial instruction

3. Small group instruction
4. Professional technical programs
5. Work experience
6. Instructional activities provided by other accredited institutions
7. Community service
8. Independent study
9. Expanded Options Program
10. Others as approved by the district.

Parents may request additional in-district alternative education programs by submitting written requests to the principal.

Distribution of Material

All aspects of K-8 school-sponsored publications, including web pages, newspapers, and/or yearbooks, are completely under the supervision of the teacher and principal. Students may be required to submit such publications to the administration for approval. Generally, high school student journalists have the right to exercise freedom of speech and of the press in school-sponsored media. School-sponsored media prepared by student journalists are subject to reasonable time, place, and manner restrictions pursuant to state and federal law.

Written materials, handbills, photographs, pictures, petitions, films, tapes, or other visual or auditory materials may not be sold, circulated, or distributed on district property by a student or a nonstudent without the approval of the administration.

Materials not under the editorial control of the district may be subject to administrative review, restriction, or prohibition, based on legitimate educational concerns. Such concerns include whether the material is defamatory; age appropriate to the grade level and/or maturity of the reading audience; poorly written or inadequately researched; is biased or prejudiced; not factual; or not free of racial, ethnic, religious, or sexual bias.

Materials that include advertising that is in conflict with public school laws, rules and/or Board policy, deemed inappropriate for students or may be reasonably perceived by the public to bear the sanction for approval of the district.

All requests for materials distribution require approval of the administration.

The district may designate the time, place, and manner for distribution.

If material is not approved within 48 hours of the time that it was submitted, it must be considered denied.

A denial may be appealed to the administration. If the material is not approved by the administration within three days it will not be considered approved. A decision reached by the superintendent may be appealed to the Board at its next regular meeting when the individual shall have a reasonable period of time to present their viewpoint

Public Complaints

A student or parent who has a complaint concerning a classroom/teacher issue should first bring the matter to the appropriate teacher. If the outcome is not satisfactory, a conference with the principal may be requested. If the outcome of this conference is not satisfactory, the student or parent may file a written, signed complaint

with the Superintendent, within 10 calendar days, who will investigate the complaint and render a decision. If the complainant is dissatisfied with the decision of the superintendent, he/she may appeal to the Board in care of the superintendent with receipt of the Superintendent's decision. The superintendent will provide the complainant with necessary Board appeal procedures. Board decisions are final.

Complaints against the principal may be filed with the superintendent. Complaints against the superintendent should be referred to the Board chair on behalf of the Board.

Complaints against the Board as a whole or individual Board members should be made to the Board chair on behalf of the Board.

Discrimination Complaints

A student and/or parent with a complaint regarding possible discrimination of a student on any basis prescribed by law should contact our principal.

Emergency Drills - Fire, Earthquake & Safety Threats

Your child's safety is our first priority! Instruction and practice on how to respond without confusion and panic to different situations is performed multiple times a year.

Instruction takes place at the beginning of the year and after extended breaks from school. (Winter & Spring Breaks)

At least one fire drill, which includes routes and methods of exiting the school building, will be conducted each month for students in grades K-12. The first fire drill will be conducted within the first 10 days of the school year.

A map/diagram of the fire escape route to be followed is posted near all classroom doorways and reviewed with students. When the fire alarm is sounded, students must follow the direction of staff quickly, quietly and in an orderly fashion.

At least two drills on earthquakes and two drills for safety threats (**ALICE***) for students will be conducted each year for students in grades K-12. Drills and instruction for earthquake emergencies shall include the earthquake emergency response procedure of "drop, cover and hold on" during the earthquake. Drills and instruction on safety threats shall include procedures related to lockdown, lockout, shelter in place and evacuation and other actions to take when there is a threat to safety.

- *Alert**-Initial Alert: may be gunshot, Intercom Announcement, etc. (Don't use code words)
- L**ockdown-If Evacuation is not a safe option, barricade entry points. Prepare Evacuation or Counter if needed.
- I**nform-Communicate real time info on shooter location. Use clear and direct language using any communication means possible.
- C**ounter-Create Noise, Movement, Distance and Distraction with the intent of reducing the shooters ability to shoot accurately. Counter is NOT fighting.
- E**vacuate-When safe to do so, remove yourself from the danger zone.

Refer to School Board Policy [EBCB](#) Emergency Drills

English Language Learners

The school provides special programs for ELL or emergent bilingual students. A student or parent with questions about these programs should contact our school principal.

Field Trips

Field trips may be scheduled for educational, cultural or other extracurricular purposes. All students are considered to be “in school” while participating in district-sponsored field trips. This means that students are subject to the school’s student conduct rules, applicable Board policies and other such rules as may be deemed appropriate by the field trip supervisor. If parents wish to chaperone on field trips, they must fill out a [volunteer background check](#) form available on the district website. This must be done in time to get the results back before the field trip.

When a parent/guardian registers their student using the Online Registration, their electronic signature gives permission for their student(s) to attend field trips. Teachers will notify parent/guardian of scheduled field trip date and time. If a parent/guardian does not want their student to attend a particular field trip, they will need to notify the teacher ahead of time.

Fees, Fines and Charges

Materials that are part of the basic core educational program are provided without charge to a student. A student is expected to provide his/her own supplies of pencils, paper, erasers and notebooks and may be required to pay certain other fees or deposits, including:

- Annual Technology insurance fee - \$25
- materials for a class project the student will keep in excess of minimum course requirements
- voluntary purchases of pictures, publications, yearbooks
- fees for damaged library books and school-owned equipment
- field trips considered optional to the district’s regular school program

Any required fee or deposit may be considered for waiver if the student and parent/guardian are unable to pay. Application for such a waiver may be made to the principal.

The district may impose certain restrictions and/or penalties until fees, fines or damages are paid. All such restrictions and/or penalties shall end upon payment of the amount owed.

Monday Mail Folders and Information

In an effort to better communicate with families, all important notices and information from school will be sent home on Mondays in your child’s Monday Mail folder. Please check your child’s backpack on Mondays for this information. Return the folder on Tuesdays.

Important announcements, calendar events, and other important information can be found on our school website: <https://www.eaglepnt.k12.or.us/Domain/15>

Homeless Students

The district provides full and equal opportunity to students in homeless situations as required by law, including immediate enrollment. School records, medical records, proof of residence or other documents will not be required as a condition for admission. A homeless student will be admitted, in accordance with the student's best interest, to the student's school of origin or will be enrolled in a district school in the attendance area in which the homeless student is actually living, unless contrary to the request of the parent or unaccompanied student.

Transportation to the student's school of origin will be provided in accordance with the McKinney-Vento Homeless Assistance Act. For additional information concerning the rights of students and parents of students in homeless situations or assistance in accessing transportation services, contact the district's liaison for homeless students at 541-830-6262.

In the event a dispute arises over school selection or enrollment of a student in a homeless situation, the student will be immediately admitted to the school in which enrollment is sought pending resolution of the dispute. The student/parent may appeal the school's written decision in accordance with the McKinney-Vento Act dispute resolution and appeal process, including final appeal to the Oregon Department of Education (ODE) State Coordinator. Additional information may be obtained by contacting the district's liaison for students in homeless situations.

Instructional Materials Complaint

Complaints by students or parents about instructional materials should be directed to our principal. Should the student or parent, following initial efforts at informal resolution of the complaint, desire to file a formal complaint, a "Reconsideration Request Form for Reevaluation of Instructional Materials" may be requested from the school office. The principal will be available to assist in the completion of such forms as requested.

All Reconsideration Request Forms must be signed by the complainant and filed with the superintendent. A reconsideration committee, comprised in accordance with Board policy, will review the material and forward a recommendation to the superintendent for appropriate action and notification to the complainant. A copy of the committee's recommendation and justification will be forwarded to the complainant together with the superintendent's written decision. The complainant may appeal the superintendent's decision to the Board, whose decision will be final.

Identification of Talented and Gifted Students

The district serves academically talented and gifted students in grades K-12, including talented and gifted (TAG) students from such special populations as ethnic minorities, economically disadvantaged, culturally different, underachieving gifted and students with disabilities. Students will be identified based on:

1. Use of research based best practices to identify talented and gifted students from underrepresented populations such as ethnic minorities, students with disabilities, students who are culturally and/or linguistically diverse or economically disadvantaged;
2. Behavioral, learning and/or performance information;
3. A nationally standardized mental ability test for assistance in the identification of intellectually gifted students;

Identified student shall score at or above the 97th percentile on one of these tests. Other students who demonstrate the potential to perform at the eligibility criteria, as well as additional students who are talented and gifted, may be identified.

Refer to School Board Policy [IGBBA](#) Identification – Talented and Gifted Students for appeal process.

Infectious Disease Instruction

An age-appropriate plan of instruction about infections/diseases including AIDS, HIV, HBV and HCV has been included as an integral part of the district's health curriculum. The plan of instruction will include age-appropriate child sexual abuse prevention instruction for students in kindergarten through grade 12. Any parent may request that his/her student be excused from that portion of the instructional program required by Oregon law by contacting the principal for additional information and procedures.

Refer to School Board Policy [IGA](#) Human Sexuality, AIDS/HIV, Sexually Transmitted Diseases, Health Education**

Oregon School Safety Hotline

The hotline is available to school age children and other members of the public for the purpose of reporting illegal, suspicious or other questionable activity on school grounds or at school sponsored activities. Instructional materials used as part of the school's curriculum may also be reviewed by the student's parent(s).

Requests to review materials or to excuse students from participation in these activities, including any nonemergency, invasive physical examination or screenings administered by the school and not otherwise permitted or required by state law should be directed to the office during regular school hours.

Private School Attendance

Children who are enrolled by their parents in private schools may participate in publicly funded special education and related services. Federal law allows school districts to limit the amount they spend for these services. If your child is to receive special education services under this provision, the school district will meet with you to develop a service plan describing the services to be provided to your child. Services may be provided on-site at the private school or at a public school. If the services are offered at a public school, the district must offer transportation for the child to access these services.

School districts are not required to pay for the cost of education, including special education and related services of a child with a disability at a private school or facility if the school district made a free appropriate public education available to the child and the parent chose instead to place the child in a private school or facility.

Program Exemptions

Students may be excused from a state-required program or learning activity for reasons of religion, disability or other reasons deemed appropriate.

Programs & Services Complaints

Individuals with complaints regarding the appropriateness of programs or services should review the [Public Complaint Procedure](#) and complete the Complaint Form available through the school office and on the district website. All complaints will be reported to the superintendent who will arrange for a review committee to meet to review all pertinent information.

A recommendation will be submitted to the superintendent. The superintendent will report the recommendation to the Board whose decision will be final. The complainant may file an appeal with the State Superintendent of Public Instruction if dissatisfied with the decision of the Board or 90 or more days have elapsed since the original filing of a written complaint alleging a violation of standards with the district. An appropriate copy of the OAR will be provided upon request.

Please refer to School Board Policy [KL-AR](#) for more information.

School Library – Media Center

Students are invited to check out books from the school's Media Center. When checking out

books, it is the child's responsibility to return the books next week. Please assist us in teaching your child how important it is that books are returned in good condition and in a timely manner. You will be charged a replacement fee for lost library books. This price covers the cost of the lost book, processing and shipping and handling.

School Report Card

More info about school performance can be found at www.ode.state.or.us.

State & District-Wide Assessment

The district's assessment program shall be designed for the purpose of determining district and school program improvement and individual student needs including the requirements of the Oregon Administrative Rules. Assessments shall be used to measure the academic content standards and to identify students who meet or exceed the performance standards adopted by the State Board of Education.

Students may annually opt-out of taking the statewide summative assessments as provided by state law. The district shall provide the required notice and necessary forms for opting out of the statewide assessments to the student. The district shall provide supervised study time for students who are excused from participating in the assessment.

The act of student-initiated test impropriety is prohibited. A student that participates in an act of student-initiated test impropriety will be subject to discipline. "Student-initiated test impropriety" means student conduct that is inconsistent with the Test Administration Manual or accompanying guidance; or results in a score that is invalid.

Student Education Records

Education records are those records related to a student maintained by the District. A student's education records are confidential and protected from unauthorized inspection or use. All access and release of education records with and without parent and eligible student notice and consent comply with all state and federal laws.

Personally identifiable information shall not be disclosed without a parent or eligible student authorization or as otherwise provided by Board policy and law

By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 unless the District is provided evidence that there is a court order or parenting plan, state statute or legally binding document relating to such matters of divorce, separation or custody that specifically revokes these rights. Parents of a minor, or an eligible student (if 18 or older), may inspect and review education records during regular school hours.

Parents or eligible students have a right to:

- Obtain a copy of the district policy with regard to student education records.

The district forwards education records requested under [OAR 581-021-0255](#).

Please refer to [Board Policy IGBAB/JO](#) Education Records/Records of Students with Disabilities Management

Student Information Procedures

In accordance with state and federal regulations, School District 9 may be compelled to provide directory information to state agencies and others. “Directory information” is a legal term for data which may include the student’s name, address, telephone listing, photograph, date and place of birth, major field of study, participation in activities and sports, dates of attendance, awards and degrees earned and most recent school attended.

This information will be furnished at the request of interested parties. The District does not ordinarily supply telephone numbers or birth information, but the regulations require that the District provide this information if requested unless parents have asked in writing that it not be given. In that case, the District is not allowed to release the student's name and other directory information for programs, honors or awards.

Parents wishing any of the information withheld must notify the school in writing within 15 days of this annual public notice. Parents of students enrolling at any other time of year shall be granted two weeks after enrollment to give the written notice if they wish to withhold any or all of the directory information from publications. In the past, this information has been requested by military recruiters, businesses and political groups.

A parent or student 18 years of age or an emancipated student, may not opt out of directory information to prevent the district from disclosing or requiring a student to disclose their name (identifier, institutional email address in a class in which the student is enrolled) or from requiring a student to disclose a student ID card or badge that exhibits information that has been properly designated directory information by the district in policy [JOA-Directory Information](#).

Searches/Questioning

District officials may search a student, his/her personal property and property assigned by the district for the student’s use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion to believe evidence of a violation of a law, Board policy, school rules, or the Student Code of Conduct is present in a particular place.

Searches will not be excessively intrusive in light of the age, sex, maturity of the student and nature of the infraction. Strip searches are prohibited by the district. District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. Such inspections may be conducted to ensure the maintenance of proper sanitation, to check mechanical conditions and safety and to reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection.

Items found which are evidence of a violation of law, policy, regulation or the Student Code of Conduct may be seized and turned over to law enforcement or returned to the rightful owner, as appropriate.

Should law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or designee will be present when possible. An effort will be made to notify the parent of the situation.

Parents are advised that when an Oregon Department of Human Services or a law enforcement official is questioning a child whom the investigating agent believes may have been a victim of abuse of a child, the investigator may exclude district personnel from the investigation and may prohibit personnel from contacting parents.

Sexual Harassment

Sexual harassment by staff, students, board members, school volunteers, parents, school visitors, service contractors or others engaged in District business is strictly prohibited.

Direct complaints related to employment may be filed with the US Department of Labor, Equal Employment Opportunity Commission or Oregon Bureau of Labor and Industries. Direct complaints related to educational programs and services may be made to the Regional Civil Rights Director, US Department of Education, Office for Civil Rights, Region X, 915 2nd Ave, Room 3310, Seattle, WA 98174-1099. Additional information regarding the filing of a complaint may be obtained through the principal, compliance officer or superintendent.

Student Responsible Use of Technology

Eagle Point School District 9 (EPSD9) is focused on providing tools and resources for 21st Century learners that develop competent and responsible future-ready citizens. Increasing access to technology and the use of iPads helps students develop progressive technology and communications skills in preparation for college, career, and life pursuits.

The Responsible Use Policy (RUP) outlines the guidelines and behaviors that all users are expected to follow when using school technologies or when using personally owned devices on the school campus. It is a written agreement that outlines the terms of responsible use and consequences for misuse. Students receive this information in their Student Handbook and as part of their digital citizenship education. It can also be found on the district website under Teaching and Learning resources.

EPSD9 schools are 1:1. Students K-12 are issued their own iPad. Guidance for the care and use of the iPad is covered in the EPSD9 Technology Handbook, which is posted on the district website. Families have the option to purchase insurance for accidental damage coverage which includes vandalism and theft. The cost of the insurance is \$25.00 for the school year. There is a family cap of \$100.00. Without insurance, students will be responsible for all repair or replacement costs.

EPSD9 may provide Internet access, desktop computers, mobile devices, video conferencing capabilities, online collaboration capabilities, email, and more. As new technologies emerge, EPSD9 will attempt to provide access

to them.

EPSD9 provides its users with restricted access to the Internet, including web sites, resources, content, and online tools in compliance with CIPA and COPPA regulations and school policies. Web browsing may be monitored, and web activity records may be retained indefinitely. Users are expected to respect that the web filter is a safety precaution and should not try to circumvent it when browsing the Web.

EPSD9 will not be responsible for damage or harm to persons, files, data, or hardware. While EPSD9 employs filtering and other safety and security mechanisms and attempts to ensure their proper function, it makes no guarantees as to their effectiveness. EPSD9 will not be responsible, financially or otherwise, for unauthorized transactions conducted over the school network. Violations of this policy may have disciplinary repercussions, including:

- Suspension of network, technology, or computer privileges
- Notification to parents
- Detention or suspension from school and school-related activities
- Legal action and/or prosecution

Eagle Point School District has provided iPads to all students for educational purposes. We highly encourage parents to participate in their child's learning by using the iPad in the home as well. A Technology Handbook that includes the basic Responsible Use Policy and iPad specific information is posted on the district website.

Students or volunteers may report cyber bullying anonymously. Remedial action shall not be based solely on an anonymous report.

It is advised that students not tell or show others any personal or family information over the Internet, such as: home address, phone numbers, passwords, personal photos when used with names, or Social Security numbers. Keep personal and electronic information, including your username and password, private.

Student Insurance

The School District does not provide accident insurance for students. The District shall not be responsible for costs of treating injuries or assume liability for any costs associated with an injury. However, the School Board has recognized an economical student accident insurance package from Meyers-Stevens & Toohey & Company called a "MID Plan." Parents are responsible for paying premiums—if coverage is desired. More information about student accident insurance is available with registration/orientation materials.

Student Restraint and Seclusion

The district has developed a policy and administrative regulation to define the circumstances that must exist and the requirements that must be met prior to, during, and after the use of restraint or seclusion as an intervention with district students (see Board Policy JGAB – Use of Restraint or Seclusion and the accompanying administrative regulation).

If restraint or seclusion continues for more than 30 minutes the student must be provided with adequate access to bathroom and water every 30 minutes. If restraint or seclusion continues for more than 30 minutes, every 15 minutes after the first 30 minutes, an administrator for the district must provide written authorization for the continuation of the restraint or seclusion, including providing documentation for the reason the restraint or seclusion must be continued. If restraint or seclusion continues for more than 30 minutes, school staff will attempt to immediately notify parents or guardians verbally or electronically.

Following an incident involving the use of restraint or seclusion, school staff will provide parents or guardians of the student the following:

1. Verbal or electronic notice of the incident by the end of the school day when the incident occurred.
2. Written documentation of the incident within 24 hours that provides:
 - a. A description of the restraint or seclusion including:
 - 1) The date of the restraint or seclusion;
 - 2) The times the restraint or seclusion began and ended; and

 - d. The names of staff of the district who administered the restraint or seclusion;
 - e. A description of the training status of the staff of the district who administered the restraint or seclusion, including any information that may need to be provided to the parent or guardian; and
 - f. Timely notification of a debriefing meeting to be held and of the parent's or guardian's right to attend the meeting.
3. If the restraint or seclusion was administered by a person without training, the administrator will ensure written notice is issued to the parent or guardian of the student that includes the lack of training, and the reason why a person without training administered the restraint or seclusion. The administrator will ensure written notice of the same to the superintendent.
4. An administrator will be notified as soon as practicable whenever restraint or seclusion has been used.
5. If restraint or seclusion continues for more than 30 minutes the student must be provided with adequate access to bathroom and water every 30 minutes. If restraint or seclusion continues for more than 30 minutes, every 15 minutes after the first 30 minutes, an administrator for the district must provide written authorization for the continuation of the restraint or seclusion, including providing documentation for the reason the restraint or seclusion must be continued. Whenever restraint or seclusion extends beyond 30 minutes, staff of the district will immediately attempt to verbally or electronically notify a parent or guardian.
6. A district Restraint and/or Seclusion Incident Report Form must be completed and copies provided to those attending the debriefing meeting for review and comment.
7. A documented debriefing meeting must be held within two school days after the use of restraint or seclusion; staff members involved in the intervention must be included in the meeting. The debriefing team shall include an administrator. Written notes shall be taken and a copy of the written notes shall be provided to the parent or guardian of the student.
8. If serious bodily injury or death of a student occurs in relation to the use of restraint or seclusion, written notification of the incident must be provided to the Department of Human Services within 24 hours of the incident.
9. If serious bodily injury or death of a staff member occurs in relation to the use of restraint or seclusion, written notification of the incident must be provided to the superintendent within 24 hours of the incident, and to the union representative for the affected person, if applicable.
10. The district will maintain a record of each incident in which injuries or death occurs in relation to the use of restraint or seclusion.

Table Rock Elementary School provides special services for struggling pupils. Parents of eligible students are encouraged to become involved in the school's Title I program efforts. Annual Title I meetings will be held to inform parents of the school's participation in and requirements of Title I.

All D9 Elementary School teachers and instructional assistants have met state qualifications and licensing criteria as per Every Student Succeeds Act legislation.

Transfer of Student

Requests that a student attend a district school other than the student's assigned school within his/her regular attendance boundary must be made by the parent/guardian and submitted electronically to the principal or designee of the school the student currently resides. Applications are available on the district website (www.eaglepnt.k12.or.us) and will be accepted from April 1 through May 31 for the following school year. Requests made after May 31 may be considered in unusual circumstances, at the principal's discretion.

Eagle Point School District 9 will not release students to attend a school in another district except under hardship status. Please visit our website (www.eaglepnt.k12.or.us) for detailed transfer information under Parents & Students.

School Board policies [JECF](#), [JECF-AR](#), [JECB-AR](#), [JECBB](#), [JECBB-AR](#) speak specifically to transfers and principals are to adhere to the guidelines described within.

Visitors at School

Our classrooms are highly specialized teaching/learning environments. Parents are welcome to visit in support of their child's educational program when visits will not compromise the teaching and learning environment or schedule. Activities such as student testing, one-on-one tutoring and other specialized schedules or therapy generally are not appropriate times to visit. Because of the nature of our classrooms and our students, a strict protocol of confidentiality must be followed. Parents wishing to visit should inform the teacher/office and the reason for the visit. **At this time all visitors must complete the district volunteer process. Go to <https://www.eaglepnt.k12.or.us/page/202> for more information.**

1. Parents will need to check into the office first and receive a visitor's pass.
2. Parents will have opportunities to observe their child/children in the classroom.
3. Other students in the classroom will not be the focus of observation or focus of concern for a visiting parent.
4. Confidentiality will be maintained at all times, including outside the classroom and the school.

5. Parents will support the current individual learning plans which include IEP's, 504's and/or behavior plans, without alterations, while in the classrooms and throughout the school.
6. Other staff will not be addressed by visiting parents with the intent to alter any student's learning plan/ IEP, 504 and/or behavior plan.
7. The learning environment and culture of the classrooms will not be affected by visitors. If at any time the presence of a classroom visitor becomes distracting to the teaching/learning environment, the visit will need to end.
8. Parents wishing to discuss observations, questions, or concerns about their visit may make an appointment with the school administrator.
9. Visiting privileges may be suspended or terminated for any parent who is verbally abusive or inappropriate to staff or students, or whose presence causes disruption in the classroom.
10. Visits will be infrequent and of short duration, however longer observation periods may be arranged and approved by the administration on a case-by-case basis.
11. Visiting parents who have an IEP, 504 and/or behavior plan questions or concerns may contact the IEP case manager and school administrator. (Office phone number 541-830-6296.)

Volunteers at School

Volunteers and community partners play an important role in Jackson County School District 9. Each day in every school, volunteers support and encourage staff and students, and take an active role in helping every student achieve. Through their contributions of time, energy, inspiration and expertise, volunteers often report they receive more than they give.

Anyone may apply to become a volunteer. Before taking part in a volunteer activity, applicants must complete a criminal background check.

If you would like to become a volunteer please apply online. [Click here](#) to go directly to the application.

The following is an outline of the procedure:

1. Anyone may apply to become a volunteer. Before taking part in a volunteer activity, applicants must complete a criminal background check. To do so you need to apply online, on our district website at www.eaglepnt.k12.or.us.
2. Once an approval email is received, let your child's teacher know of your interest to volunteer.
3. The name of each volunteer will be added to the school-wide 'volunteer pool' list that will allow each individual to volunteer in classrooms or escort/attend field trips.
4. All volunteers, including field trip volunteers must check-in at the school office to sign-in and receive a visitor's pass

Notes:

- This background check process takes one to two weeks to complete. Please do not wait until the day before (or even a few days before) a field trip to begin the process.
- If you completed a background check form during the previous 5 years and have not moved out of Oregon, it may not be necessary to complete a new form.
- Younger siblings are not allowed to attend with the volunteer, and/or visit during instructional time, due to the potential for disruption of teaching and learning.
- Family pets are not allowed on field trips.
