Task-related Skills	Maturity
Health and Safety Habits	Commitment to a Job

Personal Conduct	Problem-Solving/ Decision Making
Interpersonal Relationships	Communication Skills
Task-related Skills	Maturity
Health and Safety Habits	Commitment to Work Experience

What are Employability Skills?

Employability Skills, or soft skills, are the key to workplace success. According to OECD, "the world no longer rewards people for what they know—Google knows everything— but for what they can do with what they know. Global education today needs to be much more about ways of thinking, involving creativity, critical thinking, problem solving and decision-making; about ways of working, including communication and collaboration."

Why

COLLEGE/CAREER
READY

Employers desperately are seeking these skills from graduates.
