

## Musical Instruments

Sousaphones, tubas, drums, baritones, and cellos will not be allowed on the bus.

Other musical instruments that can be held in the student's lap without or between the student's legs will be permitted.

If the musical instrument will fit on the student's lap without obstructing the student's vision, student may sit in any seat on the bus.

If the musical instrument will not fit in the student's lap without obstructing the student's vision, the student must sit in a seat near the front of the bus as assigned by the bus driver.

Instruments must not obstruct the aisle in any way.

The purpose of these rules is safety. We hope that this change of rules nearly accommodate the need of students and parents. Cooperation will be greatly appreciated
