Welcome to White Mountain Middle School ~ Home of Wolf Pride!

White Mountain Middle School is a terrific school! Academics are the focus at this school. We know that in order to be successful in life, skills and positive habits need to be taught and reinforced. Our staff works hard to do just that. We dedicate ourselves to assist every student to gain these skills so that they can go on and become the best that they can be.

A large part of life at WMMS happens outside of the classroom. We have a wide selection of activities and athletic programs that our students can be involved in. We offer student leadership, along with various after school clubs including Ballet Folklórico, GEMS, yearbook. Our students have also participated in state spelling contests and brain bowl each year. Historically, WMMS has seen a large percentage of our student population participate in these offerings. We strongly encourage your student to become actively involved in the activities and athletics sponsored by our school.

Rules at WMMS are simple and easy to remember. Strictly adhering to them makes life much easier for all and ensures a safe learning environment. We encourage our students to:

- ❖ Be Safe
- ❖ Be Respectful
- ❖ Be Responsible

We look forward to a great school year together!

Yours in teaching and learning,

Section 1: Attendance and Absence Information

Assignment of Students to Classes

Students are assigned to classes based on the individual needs of the student and staffing, and scheduling considerations. Requests to change a student's assigned class must be directed to the building principal. Final decisions are the responsibility of the building principal or designee.

Assignment of Students to Schools

Students are required to attend the school in the attendance area in which they reside, except as otherwise provided by state and federal law. Exceptions may be allowed in certain circumstances. Contact the school office for additional information.

Attendance Policy - EPSD 9

Eagle Point School District 9's attendance policy was established and is enforced so all students may achieve their full potential by attending school regularly. It is the intent of the School Board, school administration, and school staff at all school sites that all students have maximum opportunities for academic growth and achievement. Absenteeism affects student performance and reduces a student's opportunity for success both academically and in the workforce.

Eagle Point School District 9 supports the compulsory school attendance laws as set by the State of Oregon and recognizes that punctual, regular school attendance by students promotes academic achievement. As per state statute ORS 339.010, all children between the ages of 5 and 18 years who have not completed the 12th grade are required to regularly attend a public full-time school, unless otherwise exempted by law.

Any parent person who fails to send a student to school within three days of notification by the district that their student is not complying with compulsory attendance requirements [may] be issued a citation by the district for the student's failure to attend school. Failure to send a student to school is a Class C violation of law and is punishable by a court imposed fine, as provided by ORS 339.925 095.

WMMS will notify the parent in writing that, in accordance with law, the principal will schedule a conference with the non-attending student and their parent(s) to discuss attendance requirements. The written notice will include the following:

1. The principal or the designee has the authority to enforce the provisions of the compulsory attendance laws
2. Failure to send a student to school is a Class C violation
3. A citation may be issued by the district
4. The parent has the right to request:

- (a) An evaluation to determine if the student should have an individualized education program (IEP), if the student does not have one (House Bill 2597) or (b) A review of the student's current IEP.
5. A conference with the parent and student is required. The conference may not be scheduled until after an evaluation or review as described in item 4. above, if requested by the parent, has been completed.

The written notification will be in the native language of the parent.

Any person having legal control of a student between the ages of 6 and 18, who has not completed the 12th grade, and who fails to send a student to school within three days of notification by the district that their student is not complying with compulsory attendance requirements [may] be issued a citation by the district for the student's failure to attend school. Failure to send a student to school is a Class C violation of law and is punishable by a court imposed fine.

Additionally, a parent or guardian, or other person lawfully charged with the care or custody of a student under 15 years of age, may, under ORS 163.577 (1)(c), be found by the courts to have committed the offense of failing to supervise a child who has not attended school as required. Failing to supervise a child is a Class A violation. Violations, as determined by the court, may be punishable by a requirement to complete a parent effectiveness program approved by the court and/or a fine.

Because the law authorizes the school, not the parent, to determine which absences may be excused, the district has established the following criteria:

Definitions:

Tardy: A student arriving after the bell rings

Excused Absence: [ORS 339.065](#)

- Illness, including mental and behavioral health of the student
- Illness of an immediate family member when the student's presence at home is necessary.
- Emergency situations that require the student's absence.
- Student is a dependent of a member of the U.S. Armed Forces who is on active duty or who is called to active duty. The student may be excused for up to seven days during the school year
- Field trips and school-approved activities.
- Medical (dental) appointments. Confirmation of appointments are required.
- Pre-Arranged Absences: an absence that is arranged prior to the student's time away from school after deemed appropriate by the school's administrator and satisfactory arrangements have been made in advance of absence. (Pre-arranged absence forms are available in the front office.)

Unverified Absences: A student's absences were not verified by a parent/guardian as required.

This includes:

- Not arriving at school as expected by parents and school authorities
- Arriving at school but not attending classes

- Leaving school without following the checkout procedure
- Missing any part or all of a scheduled class without authorization
- Obtaining permission to go to a campus location but not reporting there
- Being absent from class for any reason other than those reasons specifically authorized

As a District, we understand that sometimes absences are outside of our control. As part of our Attendance Initiative, *“Creating a Culture of Showing Up”* we will generate letters of attendance concerns at the following intervals: 4, 5, 7, 10 and 14 days of absences. The intent of these communications is to create a proactive strategy to maximize student learning opportunities.

Procedures Regarding Unverified Absences and Unexcused Tardies

The primary focus of the following procedures is to significantly reduce the number of unverified absences and tardies. Students may serve lunch detention, after school detention, or in school suspension for unverified absences. Students are expected to serve their consequences. Students choosing not to serve assigned consequences may be suspended.

- **Unexcused Tardy:** Excessive/Chronic tardies deemed by the staff will be reported to the principal for possible consequences. Consequences for tardies will be referred to the attendance matrix.
- **Excessive Absenteeism:** Students who have excessive absences will be required to meet with the principal. Students who are absent for ten consecutive days will automatically be withdrawn from school (Oregon State Law)
- **Excessive Absences or tardies:** May lead to either in school suspension or out of school suspension. Students with excessive absences or tardies may be required to provide a note from a physician or clinic verifying illness or appointments in order to be excused.

Student Responsibilities

- Arrive to each class on time, attend all classes, every day.
- Obtain a hall pass before leaving the classroom during instructional time.
- Exceptions to the above rule may occur due to emergency callouts from Administration, school office and/or discipline office.
- Follow the established attendance policy for the school site.

Parent Responsibilities

- Ensure that your student is on time to school and attends all classes.
- If your student is late to school, send a note/call to excuse the tardy.
- Request homework if the student will be out more than 3 days from the front office.
- Send a note/call/email upon the student’s return to school.

Call the WMMS Office at **541-830-6730** to report a student absence
each day the student is out. (within 24 hours)

Staff Responsibilities

- Staff is present at the classroom door during passing time.
- Staff & IA hall sweeps.
- A warning bell rings 1 minute before the final bell.
- Input attendance the first 10 minutes of each class period.
- Contact parent when absences or tardies are impacting academic achievement.
- Submit referrals to front office for excessive/chronic tardiness.
**** Random hall sweeps may occur anytime/any day: Any student in the halls without a pass or late to class will receive a consequence**

Your student MAY BE absent if they:

1. Is sick. If the illness lasts more than a couple of days, you should take them to the doctor to obtain a medical excuse.
2. Is needed because of a family emergency (please call the school and let them know how long you expect to have your child out of school.) This does not include interpreting for other family members.
3. Has *live* head lice. This must be taken care of quickly. Your student should not miss more than (2) days of school. If you need help or advice, please call our school nurse or public health nurse.
4. Is registered for *Homeschooling* with SOESD.

Your student MAY NOT miss school:

1. For Vacation
2. Because they just don't want to go to school
3. Because they slept in
4. For head lice for an extensive period
5. To babysit
6. Due to lack of school supplies, clothes or an alarm clock
7. Because they are afraid to go to school
8. To go with you to interpret during school hours
9. Because of a family emergency that took place a long time ago

If you or your student need assistance with resources to help find solutions, please contact our school.

Attendance Notification Process

The Oregon Department of Education has established 92% attendance as the minimum attendance required for all schools and thus for all students. With 176 instructional days, this means that a student cannot be absent more than 14 days of school in any given school year. There is one exception to this, if a student is ill and seen by a physician. It is the parent's responsibility to give the school office a physician's note excusing their student.

The process for notification is as follows:

1. A letter is mailed after 4, 7, 10 and 14 days of overall absences.

2. A letter is mailed certified after 14 overall absences and a conference with the principal is requested.
3. If attendance is not addressed and maintained after the conference, a referral will be made to the District Truancy Officer.

Parents/guardians shall be notified by the end of the school day if their child has an unplanned absence. The notification will be either in person, by telephone or another method identified in writing by the parent/guardian. If the parent/guardian cannot be notified by the above methods, a message shall be left, if possible.

Excused or Unexcused Absences

If your student is absent, you must call the school office to report the absence AND the reason for the absence. If you receive a recording, please leave a message. 541-830-6730.

When returning to school after an absence, a parent/guardian must call the office or send a note signed by the parent/guardian that describes the reason for the absence. All unexcused absences must be excused by a parent/guardian within two school days. Absence from school or class will be excused under the following circumstances:

- Illness of the student.
- Illness of an immediate family member when the student's presence at home is necessary.
- Emergency situations that require the student's absence.
- Field trips and school approved activities.
- Medical or dental appointments. Confirmation of appointments will be required (please bring a note from the doctor or dentist).
- Other reasons deemed appropriate by the school administrator when satisfactory arrangements have been made in advance of the absence.
- Students may be excused on a limited basis from a pre-planned classroom activity or from selected portions of the established curriculum on the basis of a disability or for personal or religious considerations. *NOTE: Students may be excused from school for religious instruction, not to exceed two hours in any school week.*

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements.

Physical Education Excused Absence

To be excused from participation in a physical education class activity due to health and/or injury, a student must bring a note from home stating the day or days to be missed, signature of parent/guardian, phone number and date. If a student needs to be excused for more than two days, a doctor's excuse is required.

Pre-Arranged Absence

Parents must pre-arranged absences when known by contacting the school office. A parent or guardian may request missing work for students who have a pre-arranged absence of three or more days.

Tardy

Students are tardy if they are not in their assigned class when the tardy bell rings. Teachers may excuse tardiness if the student provides a written note or e-mail from their previous teacher explaining their late arrival. Any student late to school should report to the office with an excused note from their parent/guardian, the Administrative Assistant will give the student a pass to class. Tardy time may accumulate and count towards a student's unexcused absences.

Truancy

A student who is absent from school or any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension and/or ineligibility to participate in athletics or activities.

Leaving School

A student is considered "at School" as soon as they arrive on campus. A student who must leave school during the day must bring a note to the office from their parent/guardian; the student will be given a pass to carry with them to their destination. A student who becomes ill during the school day should, with the teacher's permission, report to the school office. The Administrative Assistant will complete a basic assessment and determine whether or not the student should be sent home and will notify the student's parent/guardian, as appropriate. Parents/guardians must sign out students leaving school during the school day.

Section 2: Student Information

Change of Address/Phone

It is important that the staff at our school has current information on how to contact our families. Therefore, we ask that families who move during the school year report changes in their mailing address, telephone number, and other pertinent information to the school office.

After School and Off Campus Expectations

Students are to go directly home unless participating in an authorized after school activity.

Eagle Point School District 9 is not responsible for the conduct or control of students who are not on school property or are not at a district-sponsored event under the care and management of district representatives. The district will not supervise students off-campus nor will the district be responsible for any student behavior or conduct once the student has removed him/herself from district property and/or the oversight of district representatives at a district-sponsored event.

However, if a student's off-campus behavior or actions impacts or interferes with the educational environment and/or safety on campus, or if there is a connection between a student's off-campus behavior or actions and their conduct and compliance with school rules on campus, then the student may be disciplined in accordance with the disciplinary code set forth in the Student Code of Conduct. For example, off-campus bullying or harassment may be disciplinable if, as a result, a hostile educational environment is created on campus

These provisions in no way limit the scope of the decisions or actions the district may deem necessary, to maintain a safe and secure environment on school property.

Assemblies

A student's conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the district's Student Code of Conduct during an assembly shall be subject to disciplinary action.

Activities and Clubs

White Mountain Middle School offers a wide variety of activities for students to participate in. All students, regardless of their ability levels, are encouraged to take part in extracurricular activities and the many worthwhile learning experiences that involvement in student government, student clubs, organizations, athletics and other activities has to offer. WMMS Activities and Clubs vary by year and are open to students in grades 6 through 8.

Athletics/Sports

Fall – Football & Volleyball - 7th & 8th Graders

Winter – Boys & Girls Basketball - 7th & 8th Graders

Spring – Wrestling & Track and Field - 6th, 7th & 8th Graders

The values and lessons learned by students through participation in interscholastic athletics and co-curricular activities are numerous. The development of responsibility, sacrifice, good sportsmanship, and accepting victory and defeat graciously are just a few of the lessons our students learn while participating in sports. Along with the privilege of participating in interscholastic athletics comes the responsibility to attain the most important facet of education: academic and behavioral success. Therefore, the following regulations have been developed in order to provide students with the motivation, support, and encouragement needed to learn the many positive lessons of athletic competition while maintaining high academic standards.

Students at WMMS involved in athletics must:

- Remit a current Physical (good for 2 years)
- Remit a signed activities/athletic contract on file
- Remit Proof of Insurance
- Demonstrate regular school attendance
- Demonstrate good behavior and academic effort
- Pay annual \$20 Fee

A yearly fee of \$20 is required to play middle school sports for students attending Eagle Point Middle School, Shady Cove School, White Mountain Middle School, and homeschooled students. EPD9 resident students who attend charter schools are required to pay \$150 per sport.

Students must have 92% attendance or higher and earn “S” marks (“satisfactory”) in citizenship, preparedness, assignments, and personal management in all courses in a quarter preceding the opening of the season or during the season to be eligible to participate unless they meet the mandatory Learning Center Criteria.

Eligibility policies and procedures will be only enforced based on SOMSAC sponsored events. Student athletes must be in good standing in all classes to maintain eligibility. This will be determined by “Behavior” marks reported for every Quarter (1-4) and the Fall Progress report. Students must have “Satisfactory” or higher marks for all classes in citizenship, preparedness, assignments, and personal management. An appeal to be reinstated prior to the beginning of a quarter may be submitted to the building principal and Athletic Coordinator to finish the season.

A student who becomes ineligible at the most recent Grading Checkpoint or who fails to attend three 90-minute sessions at the Learning Center, will get to participate in 75% of the SOMSAC scheduled contests and not finish the remainder of the season. Ineligible Athletes can regain eligibility if they attend and complete work at the Learning Center for three 90-minute sessions. This may cause missed practice or games.

A student athlete must attend school all day on the day of the scheduled activity. If the student misses ANY class, on the day of a scheduled event, they will be INELIGIBLE to participate in the scheduled event. An exception may be made for a pre-arranged doctor's appointment and a doctor's note is provided.

A student who rides to an athletic contest or activity by district transportation may return with their own parent/guardian. The parent/guardian must sign their student out on the athletic/activity transportation waiver sheet and inform the head coach. Students will not be allowed to ride home with anyone other than their own parent/guardian.

Hazing or Bullying will not be tolerated in our athletic/activity programs and will result in suspension or dismissal from the team. An individual or group who engages in humiliation, intimidation, pressure to perform dangerous/harmful activities as a prerequisite to inclusion, excluding or singling out team members in a negative manner, and/or cyber bullying in connection with the team will be in violation.

If a student is suspended from school, they cannot participate in a practice, contest, or activity during the period of suspension. If a student is in in-school suspension or detention, the principal will determine eligibility for the next practice and/or contest or event.

Before School Expectations

Students may not arrive at school before 7:30 AM. Students shall enter through the front doors to eat breakfast or go to the library/media center (when available). Teachers are preparing for instruction so students may not go to lockers or classrooms before the bell rings unless they have specific instruction by a staff member to do so.

Closed Campus

All District 9 middle schools have a closed campus. Students are considered on campus when they arrive at school in the morning. This means students may not ride the bus or walk to school and then leave campus to go visit friends, go to the store, etc. Students are to remain on school grounds from the time they arrive in the morning until their regular dismissal time at the end of the school day. This includes the lunch period.

Fundraising and Selling

Only items of an approved fundraiser may be sold at school. Selling items for personal profit is not allowed. Student organizations, clubs or classes, athletic

teams, outside organizations and/or parent groups may occasionally be permitted to conduct fundraising drives. An application for permission must be made to the principal at least ten days before the event.

All funds raised or collected by or for school approved student groups will be receipted, deposited and accounted for in accordance with Oregon law and applicable district policy and procedures. All such funds will be expended for the purpose of supporting the school's extracurricular activities program. The principal is responsible for administering student activity funds. Student Leadership serves as the student government representative in administration of student activity funds.

Hall/Bathroom Passes

All students will receive a certain number of hall/bathroom passes for each nine week grading period. Students are expected to use the pass system when they are outside of the classroom during class time. Use of passes is up to the teacher's permission.

Hallways/Stairways and Railings

- In the halls students shall stay to the right, walk and keep the traffic moving in a safe and orderly manner.
- On the stairs, for student safety, students will not slide on, or sit in any form "on" or "down" the banisters.
- Railings are not to be stepped on.

NOTE: This is a safety issue, students who violate these rules will be disciplined.

Homework Requests

A parent/guardian may request homework for students with extended illnesses (three or more days) by contacting the school office. Teachers will be allowed 24 hours to gather homework materials. Students are responsible for collecting homework for absences that are being pre-arranged.

Illness or Injury

If students are injured or become ill, they should check out with their teacher and then report directly to the school office for assessment. An Administrative Assistant will make the decision about whether a student should phone home, rest, return to class or contact emergency medical services.

Lockers

Lockers are intended for students to store their personal property during the school day. Coats, purses, bags and backpacks must be kept in their locker during school hours (backpacks with wheels do not fit in lockers). Students also have a PE locker and lock.

Lockers and other district storage areas provided for student use remain under the jurisdiction of the district even when assigned to an individual student. The district

reserves the right to inspect all lockers. A student has full responsibility for the security of the locker and is responsible for making certain it is locked and that the combination is not available to others. Valuables should never be stored in the student's locker. *The district will not be responsible for the loss of, or damage to, personal property.* Lockers may be routinely inspected without prior notice to ensure no item which is prohibited on district premises is present, maintenance of proper sanitation, mechanical condition and safety, and to reclaim district property including instructional materials. Keep lockers clear of food or drink to prevent pest infestations.

Lost and Found

Students should check the lost and found area when they misplace something. Likewise, students should turn in articles they find in and around the school to the front office. *The district will not be responsible for the loss of, of damage to, personal property.* Unclaimed items will be given to charity at the semester breaks and end of the school year.

Library/Media Center

Our Library/Media Center is for study, research, media skills, classes and pleasure reading. Students should help maintain a quiet, studious atmosphere. Media material may be checked out as follows:

- Books and Magazines - 2 weeks (Can be renewed)
- Reference Materials - Media center only
- Textbooks - Overnight check-out

Overdue notices will be given to students as a reminder, but students are responsible for returning materials on time. Students who neglect to return materials or damage the books will be responsible for replacement costs. These responsibilities and charges carry over to high school.

Fees

A written notice will be provided to the student and their parent(s) of the district's intent to collect fees, fines and damages owed. Notice will include the reason the student owes money to the district, and itemization of the fees, fines or damages owed and the right of the parent to request a hearing.

Debts not paid within 10 calendar days of the district's notice to the student and parent will result in possible restrictions and/or penalties, until the debt is paid, and possible referral of the debt to a private collection agency or other methods available to the district.

A request to waive the student's debt must be submitted in writing to the principal or designee. Fees, fines and charges owed to the district may be waived at the discretion of the principal or designee if:

1. The district determines that the parent of the student is unable to pay the debt
2. The payment of the debt could impact the health or safety of the student

3. The creation of the notice of the debt owned would cost more than the potential total debt collected relating to the notice

4. There are mitigating circumstances as determined by the principal or designee that preclude the collection of the debt.

Such requests must be received no later than 10 calendar days following the district's notice.

All such restrictions and/or penalties shall end upon payment of amount owed.

For the full text of this required notice regarding Fees, Fines and Charges, please refer to the JCSD 9 web page, www.eaglepnt.k12.or.us,

Parent/Student Legal Notices

Medication

The district recognizes that administering a medication to a student and/or permitting a student to administer a medication to themselves, may be necessary when the failure to take such medication during school hours would prevent the student from attending school, and recognizes a need to ensure the health and well-being of a student who requires regular doses or injections of a medication as a result of experiencing a life-threatening allergic reaction or adrenal crisis, or a need to manage hypoglycemia, asthma, or diabetes.

School personnel may not dispense or administer medication to a student except as prescribed by a physician and with written permission from the parent. Students also may take over-the-counter medications with a signed authorization form. *(Forms available in the school office)*

Written instructions of the prescriber are required for all requests to administer prescription medication. *Such instructions must include the following information: name of the student, name of the medication, dosage, method of administration, frequency of administration, any other special instructions, and the signature of the prescriber.*

All medications (prescription and OTC) will be kept in the school office and must be in the original container —medications kept in small containers are best, due to storage limitations. The student's name must be affixed to all medication containers. Students are not to have any medication in their lockers or on their person unless an appropriate medical protocol has been previously approved. Sharing and/or borrowing of medication with another student is strictly prohibited.

In situations when a licensed healthcare professional is not immediately available, trained personnel designated by the district may administer epinephrine, glucagon or other medications to a student as prescribed and/or allowed by Oregon law.

A request to the district to administer or allow a student to self-administer nonprescription that is not approved by the Food and Drug Administration (FDA) shall include a written order from the student's prescriber that meets the requirements of law.

An instruction for a student to self-medicate with a prescription or nonprescription medication during school hours will include an assurance the student has been instructed in the correct and responsible use of the medication from the prescribing physician.

Students may be permitted to take prescription or nonprescription medication, and/or self-medicate at school, or at school-sponsored activities under the supervision of school personnel, and in transit to or from school or school-sponsored activities.

Parental Involvement

Education succeeds best when there is a strong partnership between home and school. A partnership thrives on communication. Therefore, we request parents to:

1. Encourage your student to put a high priority on their education and to commit themselves to making the most of the educational opportunities the district provides.
2. Keep informed on district activities and issues.
3. Become a district volunteer. For further information, contact the principal.
4. Participate in district parent organizations. The activities are varied, ranging from graduation activities to the building's site council, with its emphasis on instructional improvement.

Parent VUE

District 9 provides a unique opportunity for parents/guardians to view their student's school information via the internet. ParentVUE is a convenient home-to-school collaboration tool that allows parents to enhance their involvement by keeping track of their student's attendance, grades, schedules, assignments, immunization and more!

Parents or guardians are able to view their student's information through the ParentVUE web site after they have registered with the school and received a user ID and password.

To access ParentVUE information, go online to the district website at www.eaglepnt.k12.or.us. Click on the "ParentVUE" button near the top of the page. Follow the directions to log-on.

Questioning by Non-School Personnel

Should law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or

designee will be present, when possible. A reasonable attempt will be made to notify the parent of the situation, unless otherwise prevented by law.

Parents/guardians are advised that in suspected child abuse cases, the Oregon Department of Human Services, Community Human Services, and/or law enforcement officials may exclude district personnel from the investigation procedures and may prohibit district personnel from contacting parents/guardians.

Report Cards and Progress Reports

Your student's progress reports can be checked online at any time by accessing ParentVUE. Quarterly report cards and progress reports will not be printed and sent home. Please do not hesitate to ask for assistance with ParentVUE.

Student ID Cards

All students are required to have their student ID card at all times. This is to promote school safety. The photo provides positive identification and the information available on the card allows for cafeteria accounting as well as library check out. *Students may not cover or alter the photo ID.* The purchase of a new card will be required if ID is altered or if it is lost.

Student Fees

Materials that are part of the basic educational program are provided without charge to a student. A student is expected to provide their own supplies of pencils, paper, erasers, notebooks and are required to pay:

- P.E. shirt \$8.00 each (not necessarily purchased every year)
- iPad Insurance Fee = \$25
- Athletic Fee = \$20 (annually)

Other fees and fines that may apply include:

Student Insurance

The School District does not provide accident insurance for students. The District shall not be responsible for costs of treating injuries or assume liability for any costs associated with an injury.

However, the School Board has recognized an economical student accident insurance package from Meyers-Stevens & Toohey & Company called a “MID Plan.” Parents are responsible for paying premiums—if coverage is desired. More information about student accident insurance is available with registration/orientation materials.

Discipline/Due Process

A student who violates the Student Code of Conduct shall be subject to disciplinary action. A student's due process rights will be observed in all such instances, including the right to appeal the discipline decisions of staff and administrator. The district's disciplinary options include using one or more discipline management techniques, including counseling by teachers, counselors and administrators, detention, suspension, expulsion, loss of privileges, honors and awards and removal to an alternative education program.

Disciplinary measures are applied depending on the nature of the offense. The age and past pattern of behavior of a student will be considered prior to any suspension or expulsion. In addition, when a student commits substance abuse, drug or drug paraphernalia, alcohol- and/or tobacco-related offenses, teen dating violence or any other criminal act, they may also be referred to law enforcement officials. Violations of the district's weapons policy, as required by law, shall be reported to law enforcement.

Detention

A student may be detained outside of school hours on one or more days if the student violates the Student Code of Conduct. The detention shall not begin, however, until the student's parents have been notified of the reason for the detention and can make arrangements for the student's transportation on the day(s) of the detention.

Suspension (In School and Out of School)

A student whose conduct or condition is seriously detrimental to the school's best interests may be suspended for up to and including 10 school days. Students may be suspended for one or more of the following reasons: a) willful violation of board policy, administrative regulations or school rules b) willful conduct which materially and substantially disrupts the rights of others to an education c) willful conduct which endangers the student, other student or staff members or d) willful conduct which damages or injures district property.

The district may require a student to attend school during non-school hours as an alternative to suspension.

An opportunity for the student to present their view of the alleged misconduct will be given. Each suspension will include a specification of the reasons for the suspension, the length of the suspension, a plan for readmission and an opportunity to appeal the decision. Every reasonable and prompt effort will be made to notify the parents of a suspended student.

While under suspension, a student may not attend after school activities and athletic events, be present on district property, nor participate in activities directed or sponsored by the district.

School work missed by a student while on suspension may be made up upon the student's return to school if the work missed reflects achievement over a greater period of time than the length of the suspension. For example, a student will be allowed to make up final, mid-term and unit examinations without an academic penalty.

Refer to School Board Policy JG Student Discipline

Student Restraint or Seclusion

The district has developed a policy and administrative regulation to define the circumstances that must exist and the requirements that must be met prior to, during, and after the use of restraint or seclusion as an intervention with district students (see Board Policy JGAB – Use of Restraint or Seclusion and the accompanying administrative regulation).

If restraint or seclusion continues for more than 30 minutes, school staff will attempt to immediately notify parents or guardians verbally or electronically.

Following an incident involving the use of restraint or seclusion, school staff will provide parents or guardians of the student the following:

1. Verbal or electronic notice of the incident by the end of the school day when the incident occurred.
2. Written documentation of the incident within 24 hours that provides:
 - a. A description of the restraint or seclusion including:

- (1) The date of the restraint or seclusion;
 - (2) The times the restraint or seclusion began and ended; and
 - (3) The location of the incident.
- b. A description of the student's activity that prompted the use of restraint or seclusion;

 - f. Timely notification of a debriefing meeting to be held and of the parent's or guardian's right to attend the meeting.
3. If the restraint or seclusion was administered by a person without training, the administrator will ensure written notice is issued to the parent or guardian of the student that includes the lack of training, and the reason why a person without training administered the restraint or seclusion. The administrator will ensure written notice of the same to the superintendent.
 4. An administrator will be notified as soon as practicable whenever restraint or seclusion has been used.
 5. If restraint or seclusion continues for more than 30 minutes the student must be provided with adequate access to bathroom and water every 30 minutes. If restraint or seclusion continues for more than 30 minutes, every 15 minutes after the first 30 minutes, an administrator for the district must provide written authorization for the continuation of the restraint or seclusion, including providing documentation for the reason the restraint or seclusion must be continued. Whenever restraint or seclusion extends beyond 30 minutes, staff of the district will immediately attempt to verbally or electronically notify a parent or guardian.
 6. A district Restraint and/or Seclusion Incident Report must be completed and copies provided to those attending the debriefing meeting for review and comment. The completed Restraint and/or Seclusion Incident Report Form shall include the following:
 - a. Name of the student;

7. A documented debriefing meeting must be held within two school days after the use of restraint or seclusion; staff members involved in the intervention must be included in the meeting. The debriefing team shall include an administrator. Written notes shall be taken and a copy of the written notes shall be provided to the parent or guardian of the student.
8. If serious bodily injury or death of a student occurs in relation to the use of restraint or seclusion, written notification of the incident must be provided to the Department of Human Services within 24 hours of the incident.
9. If serious bodily injury or death of a staff member occurs in relation to the use of restraint or seclusion, written notification of the incident must be provided to the superintendent within 24 hours of the incident, or to the union representative for the affected person, if applicable.
10. The district will maintain a record of each incident in which injuries or death occurs in relation to the use of restraint or seclusion.

Expulsion

Students may be expelled for any of the following circumstances: a) when a student's conduct poses a threat to the health or safety of students or employees b) when other strategies to change the student's behavior have been ineffective, except that expulsion may not be used to address truancy or c) when required by law.

The district shall consider the age of the student and the student's past pattern of behavior prior to imposing the expulsion. The use of out-of-school expulsion of a student in the fifth grade or below, is limited to:

- Non-accidental conduct causing serious physical harm to a student or employee
 - When a school administrator determines, based on the administration's observation or upon a report from an employee, the student's conduct poses a threat to the health or safety of students or employees
- or**
- When the expulsion is required by law.

No student may be expelled without a hearing unless the student's parent/guardian waives the right to a hearing, either in writing or by failure to appear at a scheduled hearing. An expulsion shall not extend beyond one calendar year.

The district will provide appropriate expulsion notification including expulsion hearing procedures, student and parent rights and alternative education provisions as required by law. See Alternative Education Programs and Alternative Education Programs Notice in Section 5 of this Handbook.

Refer to School Board Policy JGE for expulsion information.

Discipline of Disabled Students

When a student being served by an individualized education program (IEP) engages in conduct which would warrant suspension of more than 10 days or expulsion for a non-disabled student, the student's parent/guardian will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student's IEP team meeting addressing the infraction and its relationship to the student's disability.

The IEP team will determine whether the misconduct is a manifestation of the student's disability. Should the IEP team conclude the misconduct has no relationship to the student's disability, the student may be disciplined in the same manner as would other students. If the IEP team concludes the misconduct is a consequence of the student's disability, the team may review and revise the student's IEP and determine whether a change in placement is needed. The district may not suspend for more than 10 days or expel a disabled student or terminate educational services for any behavior which is a manifestation of the disability.

A student may be removed from the current educational placement to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than 45 calendar days in a school year for a drug or weapon violation as provided in district procedures. Additionally, the district may request an expedited due process hearing to obtain a hearings officer's order to remove a student to an interim alternative educational setting for not more than 45 days if the student is exhibiting injurious behavior. For the purpose of this request, "injurious behavior" is defined as behavior that is substantially likely to result in injury to the student or to others.

Dances and Social Events

School dances and social events are planned to reward students for safe, respectful and responsible behavior. These special events are provided only to students enrolled at our school. Student identification must be shown to attend. The rules of good conduct and grooming shall be observed for school dances and social events. All school rules apply.

Students leaving before the official end of the activity will not be readmitted. As well, a student must be in attendance at school all day, unless they have a doctor's note, the day of a special event to participate in that event.

Damage to District Property

A student who is found to have damaged district property will be held responsible for the reasonable cost of repairing or replacing that property. If the amount due is not paid the amount will become a debt

owed and the district may impose certain restrictions and/or penalties until fees, fines or damages are paid.

Displays of Public Affection

Public Displays of Affection are prohibited.

Dress Code

Dressing appropriately is an important life skill. Student dress or hairstyles should not distract students or staff from the tasks of teaching and learning. As well, the weather in Oregon can change two or three times a day. Appropriate dress for school should follow these standards:

- Clothing and accessories may not depict, advertise, imply or advocate the use of tobacco, alcohol, drugs, violence, vulgar, discriminatory language, obscenities or contain profanity.
- Clothing may not state, imply or depict hate speech, imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
- Clothing must cover areas from one armpit to the opposite armpit, down to 3 to 4 inches in length on the upper thigh.
- See through or mesh clothing must not be worn without appropriate coverage underneath.
- Straps on all clothing, shall be a minimum of 2 inches wide.
- Apparel, jewelry, accessories, tattoos or manner of grooming that, by virtue of its color, arrangement, trademark or any other attribute, denotes membership in a gang that advocates illegal or disruptive behavior is prohibited. No wallet chains, bandanas, sunglasses or hats allowed inside the building.
- Holes in clothing above the mid-thigh, must not have skin showing. Opaque leggings may be worn beneath jeans with holes.
- Cologne and perfume should be limited due to safety and allergy concerns.
- Dressing in layers allows for comfortable weather changes throughout the day. Please be sure to label your child's clothing.
- Students should wear comfortable clothing that will allow them to participate in school activities.

- All students must wear shoes at all times at school. Shoes with attached wheels (Example: “Heelys”) are not allowed. Flip flops, platform sandals, or high heels are not safe footwear at school and are highly discouraged.
- Hoods are not allowed in the school building. Cold weather headgear is allowed for outdoor activities/recess.
- Keep your hands, arms, legs and clothing free of writing or markings. Sharpies are not allowed at school.
- All decisions of dress and grooming appropriateness are at the discretion of the principal or the principal’s designee.

Fashion Infraction

If a student wears inappropriate clothing to school, a school adult will inform them that they need to change. If they don’t have clothing to change into then they will be given loaner clothing to borrow in the office, leave the inappropriate clothing at the office, and returning at the end of the day to collect it and return the borrowed clothing.

Students shall not argue or negotiate with the school adult who issues the Fashion Infraction. The student shall report to the office, change clothing quickly and return to class.

Drug, Alcohol, Tobacco and Nicotine Prevention

The possession, selling and/or use of illegal and harmful drugs, alcohol, tobacco products and inhalant delivery systems, marijuana (including medical marijuana) is strictly prohibited. This includes substance abuse and drug paraphernalia. This prohibition applies during the regular school day and/or at any district-related activity, regardless of time or location and while being transported on district-provided transportation. Students in violation of the district’s drug, alcohol and tobacco policy will be subject to disciplinary action and referral to law enforcement officials, as appropriate, in accordance with the Student Code of Conduct.

Since drug, alcohol, tobacco and nicotine use is illegal for students and interferes with both effective learning and the healthy development of students, the district has a fundamental and ethical obligation to prevent drug, alcohol, tobacco and inhalant use and to maintain a drug-free educational environment.

Elevator

At no time are students allowed use of the elevator without an adult or an elevator pass obtained from the office. Students that need to use the elevator must have a note from either a parent/guardian or physician.

Field Trips

Field trips may be scheduled for educational, cultural or other extracurricular purposes. Students will adhere to the field trip contract expectations set forth by the school in preparation for the upcoming field trip. All students are considered to be “in school” while participating in district-sponsored field trips. This means students are subject to the school’s Student Code of Conduct, applicable Board policy and such other rules as may be deemed appropriate by the field trip supervisor. If parents wish to chaperone on field trips, they must fill out a [volunteer background check](#) form available on the district website. This must be done in time to get the results back before the field trip.

Food and Beverages

Soda, coffee, energy drinks, or other carbonated drinks are prohibited at school. Open food and drinks are **never** allowed in lockers. All food and drink must be consumed in the cafeteria. Students are not allowed to take food or drink into the halls, classrooms or outside.

Chewing Gum

Chewing gum is prohibited.

Gangs

The presence of gangs and the violent activities and drug abuse that often accompany gang involvement can cause a substantial disruption of school, district activities and a student's ability to meet curriculum and attendance requirements.

A gang is defined as any group that identifies itself through the use of a name, unique appearance or language, including hand signs, the claiming of geographical territory or the espousing of a distinctive belief system that frequently results in criminal activity.

In an effort to reduce gang involvement, the district encourages students to become involved with district-sponsored clubs, organizations and athletics and to discuss with staff and district officials the negative consequences of gang involvement and to seek the assistance of school staff for additional guidance and district and community resources that offer support to students and alternatives to gang involvement.

No student on or about district property or at any district activity shall wear, possess, use, distribute, display or sell any clothing, jewelry, emblem, badge or any other such symbol evidencing gang membership or affiliation. No student shall use any speech, either verbal or nonverbal (gestures, handshakes, etc.) signifying gang membership or affiliation. No student shall solicit other students for membership in any gangs nor commit any other illegal act or other violation of district policies.

Students in violation of the district's gang policy will be subject to discipline in accordance with the Student Code of Conduct.

Harassment, Intimidation, Bullying, Menacing, Teen Dating Violence, Domestic Violence and Cyberbullying

Retaliation against any person who is a victim of, who reports, is thought to have reported, or files a complaint about an act of harassment, intimidation or bullying, an act of cyberbullying, or teen dating violence, or otherwise participates in an investigation or inquiry is also strictly prohibited. A person who engages in retaliatory behavior will be subject to consequences and appropriate remedial action.

Students whose behavior is found to be in violation of this policy will be subject to consequences and appropriate remedial action which may include discipline, up to and including expulsion. Individuals may also be referred to law enforcement.

The Administration will take reports and conduct a prompt investigation of any report of an act of harassment, intimidation or bullying and acts of cyberbullying. Any employee who has knowledge of conduct in violation of this policy shall immediately report their concerns to the principal who has overall responsibility for all investigations. Any student who has knowledge of conduct in violation of this policy or feels they has been harassed, intimidated or bullied and acts of being cyber bullied is encouraged to immediately report their concerns to the principal who has overall responsibility for all investigations. This report may be made anonymously. A student may also report concerns to a teacher who will be responsible for notifying the appropriate district official.

Harassment, intimidation, bullying and menacing is defined as any act that:

- Substantially interferes with a student’s educational benefits, opportunities or performances
- Takes place on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop, or takes place off of school grounds but has the ability to negatively impact the school learning environment that may be based on, but not limited to, the protected class of a person.

Has the effect of:

- Physically harming a student or damaging a student’s property
- Knowingly placing a student in reasonable fear or physical harm to the student

Personal Property/Personal Electronic Devices and Social Media

The school is not responsible for lost, broken or stolen items. Personal communication electronic devices brought to school may be used for appropriate/approved classroom or instructional related activities. The items can be kept in their backpack or locker. Electronic devices should be “silenced” upon arrival to campus. If a student is using an electronic device when asked not to use it, it will be confiscated until picked up by the student’s parent. Chronic insubordination regarding use of electronics will lead to loss of privileges. Laser generating items are not allowed at school at any time.

Any inappropriate items stored on a personal electronic device may be grounds for expulsion. Those items include but are not limited to: gang related images, racially motivated images, drugs or drug paraphernalia, nudity, and sexually explicit images.

Photography at School

Digital cameras (including camera phones or iPads) of any kind may not be used on campus or at school events except as part of an approved school program. Students must have permission to photograph

audio or video and to post. Posting inappropriate or illegally obtained pictures or information on personal electronic devices or on the internet may result in disciplinary action and a referral to law enforcement.

Searches

District officials may search a student, their personal property and property assigned by the district for the student's use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion based upon specific and articulated facts to believe that the student personally poses or is in possession of some item that poses an immediate risk or serious harm to the student, school officials and/or others at the school.

Searches shall be "reasonable and in scope," that is, the measures used are reasonable related to the objectives of the search, the unique features of the official's responsibilities and the areas which could contain the items sought and will not be excessively intrusive in light of the age, sex, maturity of the student and nature of the infraction. District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. Students have no expectation of privacy regarding these items/areas. Such inspections may be conducted to ensure maintenance of proper sanitation, to check mechanical conditions and safety and to reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection.

Items found which are evidence of a violation of law, policy, regulation or school rule may be seized and turned over to law enforcement or returned to the rightful owner, as appropriate.

SAFETY is a job that takes all of us, working together in an ongoing effort, to ensure the safety of everyone. We must keep in mind that schools are the hub of our communities and at times can serve as an oasis of safety and security for young people. As an integral part of creating an environment that is welcoming and safe for our students, we have every day procedures and protocols in place that were established to protect others. Sometimes, on a less frequent basis, we need to take precautionary measures and implement safety procedures that are purely preventative.

With the support of our local sheriff's department, we will have a dog trained to smell inappropriate substances on campus. We view this as a precautionary measure and want to educate students that any illegal or inappropriate substances will not be tolerated on campus.

As a part of this process our teachers are spending time addressing the issue with students and educating them on the use of the dog. Please know that at some random times this year, a dog may be on campus and will search our facility. Parents/guardians are encouraged to speak with their student about the use of illegal or inappropriate substances. If you need assistance talking with your student about this, contact the school office.

Sexual Harassment

Sexual harassment shall include, but not be limited to, unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of sexual nature made by a student to a student, or by a staff member. Such behavior will not be tolerated. Disciplinary action will be taken for individuals engaged in such actions. Any slapping, hitting, pinching, touching or exposing of another's private areas is considered sexual harassment.

Spitting

Students shall not spit in or around the building.

Student Conflict

Pushing, hitting, fighting, intimidating, and threatening are not appropriate or acceptable means for resolving conflicts.

- All students are expected to seek help from a staff member if they are having conflict that they cannot resolve.
- Students who fail to resolve conflicts or who are repeatedly involved in conflicts will be subject to suspension.
- A student may be expelled for severe or repeated violations of Student Code of Conduct.
- Any student who videotapes any inappropriate activity, including physical violence, with any intent other than to report the incident to an adult, will be subject to disciplinary action.

Student Recognition

- **Leaders of the Pack (LOP's)**
 - Students who consistently demonstrate safe, respectful, and responsible behavior may be nominated for LOP status. LOP's will receive special privileges that may include but are not limited to early lunch and early dismissal. Students may apply to be a Leader of the Pack at all progress reporting times.
- **Attendance Award:** Students who attend school every day and have no more than two tardies in a semester will receive an award.
- **Principal's Perfect Attendance Award:** Students who maintain perfect attendance with no missing days and less than 3 unexcused tardies in one year will receive this award.
- **School-wide Activities:** Based on safe, respectful and responsible behavior, students earn extracurricular activities including but not limited to: dances, special assemblies, spirit week, etc.

- **End-of-Year Trips:** Each grade level earns an end of year trip. In order to be eligible for the trip, students must have maintained 92% attendance throughout the year and good citizenship (no “in school” or “out of school” suspensions in the 4th Quarter).

Technology – EPSD9 Responsible Use Policy

Eagle Point School District 9 (EPSD9) is focused on providing tools and resources for 21st Century learners that develop competent and responsible future-ready citizens. Increasing access to technology and the use of iPads helps students develop progressive technology and communication skills in preparation for college, career, and life pursuits. Students receive the responsible use policy in their Student Handbook and as part of their digital citizenship education.

Purpose

The Responsible Use Policy (RUP) outlines the guidelines and behaviors that all users are expected to follow when using school technologies or when using personally-owned devices on the school campus. It is a written agreement among parents, students, and school personnel that outlines the terms of responsible use and consequences for misuse. Effective RUPs create an opportunity to teach students, while in school, to become responsible digital citizens, which will help them thrive in a connected world.

User Agreement

I understand that using digital devices (whether personal or district-owned) and the Eagle Point School District 9 network is a privilege, and when I use them according to the Responsible Use Policy, I will keep that privilege. I agree to do the following when using technology:

- Respect and protect myself.
- Respect and protect others.
- Respect and protect my school and district.
- Respect and protect intellectual property.

I understand that my use of any district technology (computer, mobile device, network, internet, resources, etc.) will be monitored and retained and is neither private nor confidential to district/authorized personnel. I understand that if I violate this agreement, the district’s policies and procedures, or my student handbook, I may not be allowed to continue to use technology or I may receive other appropriate consequences.

Examples of Responsible Use

This is not intended to be an exhaustive list. Users should use their own good judgment when using school technologies. Grade-specific guidance will be provided in digital citizenship lessons that are aligned with the User Agreement statements.

Copyright

Users will adhere to the United States copyright laws and to the Creative Commons licenses, where the author/artist denotes what media may be shared, remixed, or reused. Media includes graphics, movies, music, and text. Users are required to provide proper credit to all sources. Users should not take credit for things they didn't create or misrepresent themselves as an author or creator of media found online. EPSD9 will cooperate with copyright protection agencies investigating copyright infringement by users of the computer systems and network of the Eagle Point School District 9.

Security

Users will take reasonable safeguards against the transmission of security threats over the school network. This includes not opening or distributing infected files or programs and not opening files or programs of unknown or untrusted origin. If you believe a computer or mobile device you are using might be infected with a virus, please report to a trusted adult who will alert the Technology Department. Do not attempt to remove the virus yourself or download any programs to help remove the virus.

Personal Safety

Users should never share personal information, including phone number, address, social security number, birthday, or financial information, over the Internet without adult permission. If you see a message, comment, image, or anything else online that makes you concerned for your personal safety or the safety of others, bring it to the attention of an adult immediately.

Cyberbullying

Users will not participate in or tolerate cyberbullying. Harassing, dissing, flaming, denigrating, impersonating, outing, tricking, excluding, and cyberstalking are all examples of cyberbullying. Don't send emails or post comments with the intent of scaring, hurting, or intimidating someone else. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime.

The superintendent will investigate the complaint and will notify the complainant in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law. If the complaint remains unresolved within [10] working days of receipt by the superintendent, the complainant may appeal to the Board in step 4.

Complaints against the superintendent may be referred to the Board chair on behalf of the Board. The Board chair will cause the notice requirements identified in step 1 to be completed. The Board chair shall present the complaint to the Board. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. The Board chair shall notify the complainant in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law. Private School Attendance

Children who are enrolled by their parents in private schools may participate in publicly funded special education and related services. Federal law allows school districts to limit the amount they spend for these services. If your child is to receive special education services under this provision, the school district will meet with you to develop a service plan describing the services to be provided to your child. Services may be provided on-site at the private school or at a public school. If the services are offered at a public school, the district must offer transportation for the child to access these services.

School districts are not required to pay for the cost of education, including special education and related services of a child with a disability at a private school or facility if the school district made a free appropriate public education available to the child and the parent chose instead to place the child in a private school or facility.

Student Education Records

The information contained below shall serve as the district's annual notice to parents of minors and eligible students (if 18 or older) of their rights, the location and district

official responsible for education records. Notice will also be provided to parents of minor students who have a primary or home language other than English.

Education records are those records related to a student maintained by the district. A student's education records are confidential and protected from unauthorized inspection or use. All access and release of education records with and without parent and eligible student notice and consent will comply with all state and federal laws.

Personally identifiable information shall not be disclosed without parent or eligible student authorization or as otherwise provided by Board policy and law.

Education records are maintained in a locked, fire-safe cabinet in the school office. By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 unless the District is provided evidence that there is a court order, state statute or legally binding document relating to such matters of divorce, separation or custody that specifically revokes these rights. Parents of a minor, or an eligible student (if 18 or older), may inspect and review education records during regular school hours.

Bullying Behavior

Bullying Behavior will not be tolerated in District 9 schools. The intent of the person “doing the bullying” makes no difference whatsoever. The person on the receiving end is the one who decides whether the behavior is offensive. Any reports or information on acts of [hazing,] harassment, intimidation, bullying, , acts of cyberbullying, or incidents of teen dating violence (e.g., complaints, rumors) shall be presented to the school disciplinarian for investigation.

Bullying is...

- any ongoing physical or verbal mistreatment
- a deliberate attempt to make someone feel uncomfortable or unhappy
- an imbalance of power and the victim (target) is exposed repeatedly to negative actions on the part of one or more other students
- a conscious desire to hurt, threaten or intimidate someone physically, verbally or psychologically

Behaviors Associated with Bullying...

- offensive name-calling
- aggressive personal contact
- threats (verbal or written)
- intimidating body language

- invading physical space
- intentional, continual noise-making
- intentional exclusion
- “nasty looks”
- put downs
- teasing
- excluding someone from group or game
- physically hurting someone
- discrimination based on a person being different in some way

How to handle students who bully you...

- avoid them
- walk away
- never find yourself alone with them
- stay in sight of an adult
- be firm and strong even if you don't feel like it
- look them straight in the eye and stand up tall
- tell them to stop and walk away
- ignore them
- pretend you did not hear the comment
- find a friend
- play with friendly students
- don't fight back physically (it just gets you in trouble too)
- tell your teacher, the lunch supervisor, principal, bus driver

Parents, if your student is being bullied...

- listen carefully to your student
- assure your student that it is not their fault
- stay calm
- get accurate details
- give your student some strategies to cope
- help your student to be proud of how they are unique
- if the problem persists, seek assistance from your student's teachers
- if the problem continues, seek support from the school principal
- seek assistance from school or health professionals

If your student is bullying others...

- find out all the facts from the school
- talk to your student, but do not blame
- emphasize that bullying is not acceptable in your family
- role-play alternative behaviors
- seek assistance from school or health professionals
- be specific regarding consequences for continuing unacceptable behaviors
- reward appropriate behavior

Consequences of Bullying at our School

First Offense:

- Loss of involvement in school functions (e.g. assemblies, field trips, recesses, sports, etc.)
- Parents notified by telephone or letter

Repeated Offenses:

- Referral to school office
- Conference with school principal and parents
- Out of School suspension
- Referral to law enforcement

Note:

- Levels are on a progressive scale, but for serious behavior problems a student can proceed straight to any level. For example, severe physical bullying, even a first offense, may lead to out of school suspension or referral to law enforcement.
- For behavior to be considered illegal, it must be unwanted, repeated, and cause harm.
